Phoenix College

"The leading lower division college of the nation"

Phoenix College with its progressive outlook and varied curriculum invites you to become a part of its student body. Hard work and pleasure are combined to insure you of a profitable as well as enjoyable education.

Learning Skill and Good Sportsmanship

The up and coming underclassmen show a lot of promise, several of them placing on the all-star teams during the year. Informal "Get-Acquainted" parties were held for them with girls from other valley schools.

The GAA initiation of new members was an outstanding event of the year, featuring comical dress regulations, games, and torture measures for the initiates, and of course, a lot of fun for everyone.

A Mother-Daughter Banquet was held in the late spring, at which time, the GAA awards were presented. Representatives of the mothers, the Physical Education faculty, and the students participated in the program.

Awards presented were small and large letters, silver and gold medals, and the top four year award to the girl most outstanding in GAA.

They Like All Kinds of Sports

A good-sized group of girls took active part in the five sport seasons of GAA, beginning with recreational sports in the fall and continuing through the year with volleyball, basketball, and softball.

Activities in the recreational sports season consisted of the annual All School Recreational Tournament in badminton, tennis, table-tennis, shuffleboard, and volleyball.

Breaking a four year loosing streak, North High's outstanding volleyball team emerged undefeated at the annual volleyball Sports Day held in Glendale. Among the five competing schools were Mesa, Glendale, St. Mary's, Phoenix Union, and North Phoenix.

Sports Days were also held in softball and basketball, with the North High girls again taking top honors in basketball by easily defeating their opponents from the four valley high schools.

GAA CABINET—FRONT ROW: *Martin, Akren, Price, Chastain.* SECOND ROW: *Barnett, Nelson, Kleinert, Murphy.*

Leaders Of G. A. A.

This was more than just "another year" in North High's Girls' Athletic Association history. Under the capable leadership of Velma Barnett, president, and Mrs. Bettse Marten Phelps, faculty adviser, the cabinet planned and executed several new activities along with the traditional affairs. Other cabinet members were Joyce Nelson, vice-president; Naomi Kleinert, secretary; Marcella Murphy, treasurer; Carol Akren, Joan Price, Betty Martin, Dorothy Chastain, class representatives.

Outside entertainment for the fun-loving GAA girls was provided during the year by skating, bike-hikes, informal school parties, and the spring weekend camping trip which climaxed the season.

GAA ALL-STARS—FRONT ROW: *Dohner, Miller, Lindsey, Cook, Harper, Phillips, McAlister, Bencic, Martin, Beckett, Lusk.* SECOND ROW: *Nusbaum, Akren, Barnett, Phillips, Murphy, Thurman, Alexander, Nelson, Erb, Kleinert, Jachowski, Dunlap.*

GOLF TEAM—FRONT ROW: *Collins, Corpstein, Mueller, Coggins, Wilmoth.* SECOND ROW: *Scrulus, Thomas, Darrah, Moore.*

This year's Mustang golfers enjoyed a fair season, managing to have some good times in the few meets they played. Milt Coggins, Tom Wilmoth, Bob Mueller, Russ Odum, and Pete Corpstein comprised the starting swingers. Mr. Henry Anderson sponsored the team.

Mr. C. O. Stephens' Boys' Tennis squad completed a successful season. Varsity netters were Murray Shevick, number one man, Delton Shonthaler, John Carollo, Curtis Brown, and Bob Douglas.

This year's enlarged Girls' Tennis Squad completed a very successful season under the leadership of Miss Catherine Wilkinson, sponsor. Representing North High in first team matches during the year were Marcia Brown, Lois Thurman, Jackie Ginn, Joan Price, Kathryn Dohner, and Joyce Nelson.

Track Squad Is Cinder-ella Team

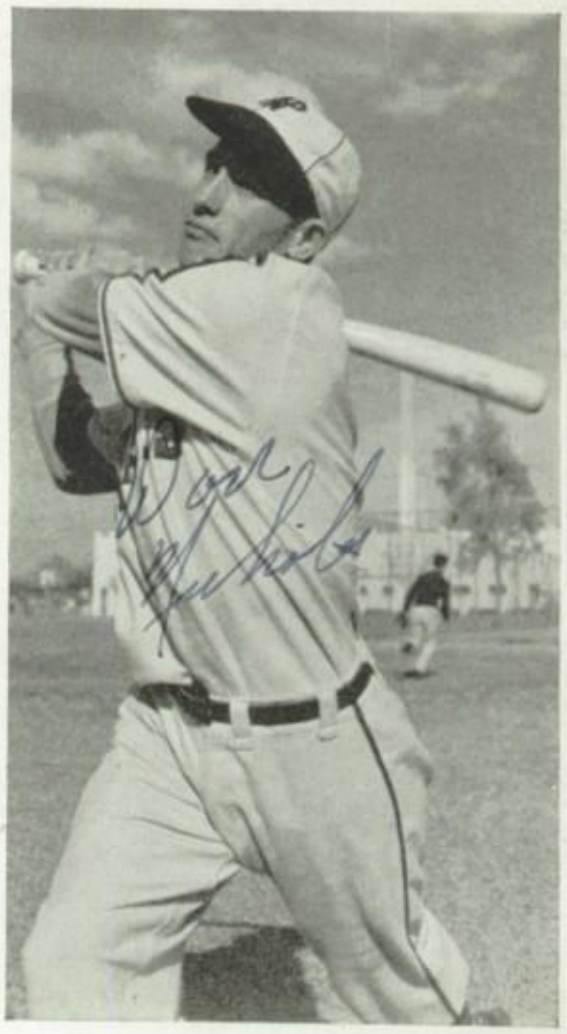
Coach Don Pace and Student Coach Strangeland turned out a strong track track team in the spring of '48, a team that ranked second only to the Tucson Badgers in the state of Arizona in track and field power. The Mustangs, lead by versatile Merle Wackerbarth, who averaged just about three wins per meet, defeated squads from Mesa, Glendale, Phoenix Union, St. Mary's, Phoenix Tech, and other state and valley schools.

Marley, Smith, Whitmore, Shaver, Pateman, Brownlow, Wood.*

The Best in the State

Up to the time of this printing, the Mustangs had not been defeated in nine innings by a high school team. their two high school losses came at the hands of Amphitheater's Panthers in 10 innings in mid-season, and a 4-3 setback by the Tucson nine toward the end of the campaign.

Don Nicholas led the Mustang hitters, while other leading sluggers were Bill Grasham, the captain, Kelsey Boltz, and Bob Melton. The pitching staff was sparked by Bob Gehres, Bobby Slaughter, and Jerry Jones, with Gene Mitcham, a capable relief pitcher.



LEADING MUSTANG MAULER —all-stater Don Nicholas, who sported a batting average of .550-plus during the past season, after blasting the ball at a .467 clip the previous year.

The Colts, coached this year by W. K. Lang, ran through close to a dozen consecutive wins at the start of the season and finished the season with an average close to .800.

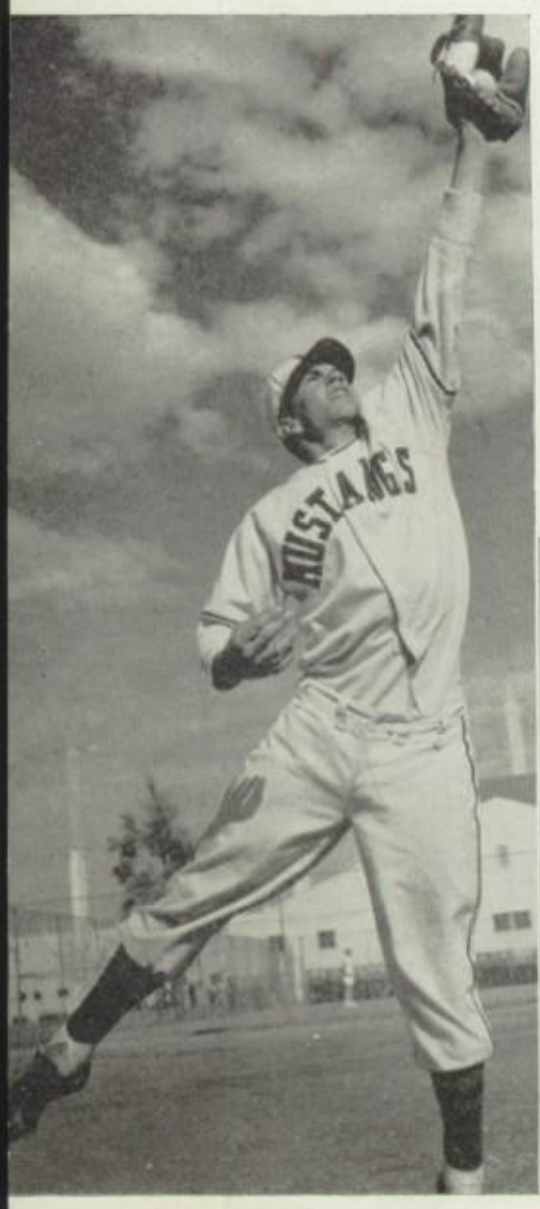
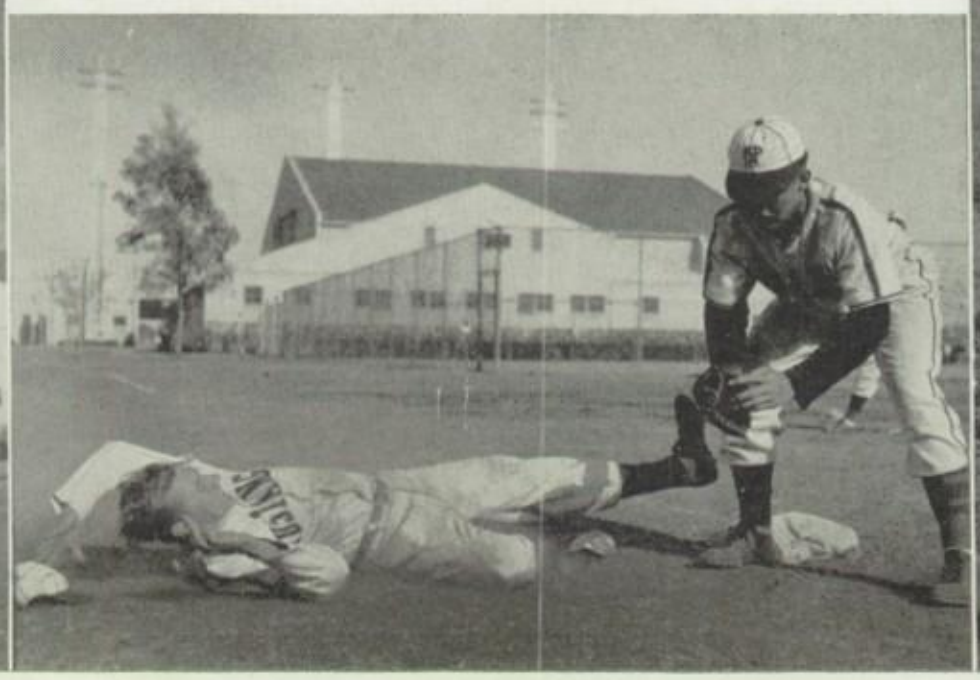
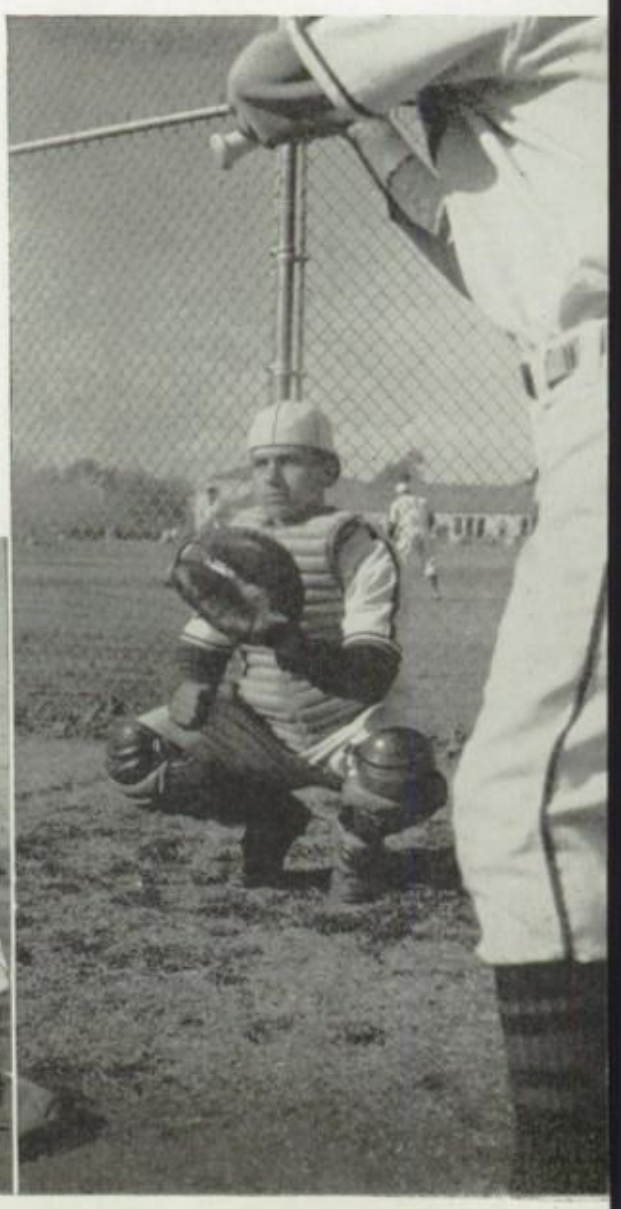
Booming Bats and Crafty Chucking

Coach Clare Van Hoorebeke came up with one of his most powerful Mustang nines during the 1948 campaign, a season that found the Mustangs City Champs, and in a virtual deadlock with Tucson for the Big Seven championship. In the City League, the Horses were undefeated in six contests, while in Big Seven play, they won their series with all the schools except Tucson, and they split even in two games with the Badgers.



ACTION ON THE BALL FIELD— LEFT: Grasham leaps high to spear a long hit. BELOW: Slaughter slides back into first while Johnson covers the bag. RIGHT: Boltz, the efficient Hoss backstop.





COLT BASKETBALL—FRONT ROW: *Coach Pace, Denny, Fuller, McMullan, Prentice, Hammon, Miller (manager).* BACK ROW: *Thompson, Karam, Bennett, Beardsley, Sutton, Mitcham, Wallace, Chambers, Taylor, Rahmatulla.*

The Colts Played A Lot of Basketball

Coach Don Pace's Colts had a successful basketball season, winning nine while losing seven. After winning their first four contests, defeating Carver, St. Mary's, Tucson, and Phoenix Tech junior varsities, they succumbed five straight times.

Regaining some of their earlier form, they defeated Peoria twice, St. Mary's, and Indian School, while losing in a tough game to Glendale, and also being defeated by a team from the Phoenix Metropolitan League, the Conner's Produce five, sparked by none other than Colt Coach Pace. That game was the only overtime contest of the year.

The Colts averaged 41 points per game to their opponents' 33. J. B. Sutton led the scoring with a 136 total.

Ten Straight and the Tourneys

Three straight opponents fell to the Red and Blue attack. Peoria, 50-45; St. Mary's, 40-24; and Glendale, 38-29, dropped before the speedy Hosses. The Mustangs then gained revenge for their earlier defeat by Mesa, by easily downing them, 49-31 and the next night they blasted Peoria, 51-33, for their fifth straight win. Yuma came, saw, and was conquered twice the next weekend by 46-23 and 63-44 scores.

The Mustangs entered the West Central tourney as co-favorites with Phoenix Union. In the opening round, they smashed Buckeye, 64-35. The next night Wickenburg fell, 52-22. Then, the Hosses knocked off the Coyotes, 29-28, but were defeated in the championship game by a surprising Carver five, 38-31.

In the opening round of the state tourney, the Mustangs met and conquered Duncan, 44-40, but it was their ill luck that they should meet Phoenix Union the next day, for they succumbed to the Downtowners, 44-35.

ACTION SNAPS—UPPER ROW: *Barlow goes for the ball against Peoria; Barlow breaks up a Yuma play under the Yuma basket; Hargrave shoots with Dunlap and Bradley in the background; Bradley goes for the ball in the Glendale game, with Clements in the background.* LOWER ROW: *Reader dribbling in for a shot against Yuma; Dunlap grabs a Peoria player's shirt; Hargraves goes after the ball in the Glendale game.*

We Get Hot

Then followed two City League encounters. Tech fell to a merciless Mustang attack, 81-22, but the Coyotes snared a 52-39 win from the Northsiders. Mesa conquered the Hosses in a close, thrilling contest, 30-27, just after the Christmas Holidays, but Glendale could not pull the same trick, succumbing to a late Mustang attack, 50-41.

Seeking revenge for the earlier pasting handed them by the Badgers, the Hoss squad traveled to Tucson, determined to beat them. Tucson took a close 31-28 win, however, receiving their worst scare of the year. Phoenix Union again conquered the Horses the next weekend, this time 40-29. Then the Mustangs hit their peak.

Basketball Season Rolls Around Again

Long before the football team hung up their spikes, the basketball squad was in practice for their first game. Coach Rolly Caldwell's squad was an unknown quantity at the beginning of the season, with Max Dunlap, Elmer Bradley, and Boyd Clements the only players returning from the previous year, and Clements could not join the squad for several weeks because of a broken finger he had received during the Turkey Day football clash.

However, Coach Caldwell put together a capable starting five which included Leland Barlow and Johnny Winkler as forwards, Bradley at center, and Dunlap and Don Hargraves as guards.

Sparked by these five players, the Hosses opened the season with two straight wins, edging Carver, 37-36, and blasting the Knights from St. Mary's, 39-22. Tucson's state championship Badgers came to town the next night. Campus opinion was that they should have stayed home. The reason was the 69-39 defeat they handed the Mustangs, the worst defeat they suffered all year.

The Colts Will Be Next Year's Varsity

The younger, less experienced football pleayers have been preparing themselves for future varsity competition by playing on North High's junior varsity team—the Colts. The Colts played ten games, winning four, tying one, and losing five.

In this "league," it is not the number of games won that counts, it's the experience gained that is important. In this respect, the Colts excelled, and these players are now further prepared for varsity competition within the next couple of years.

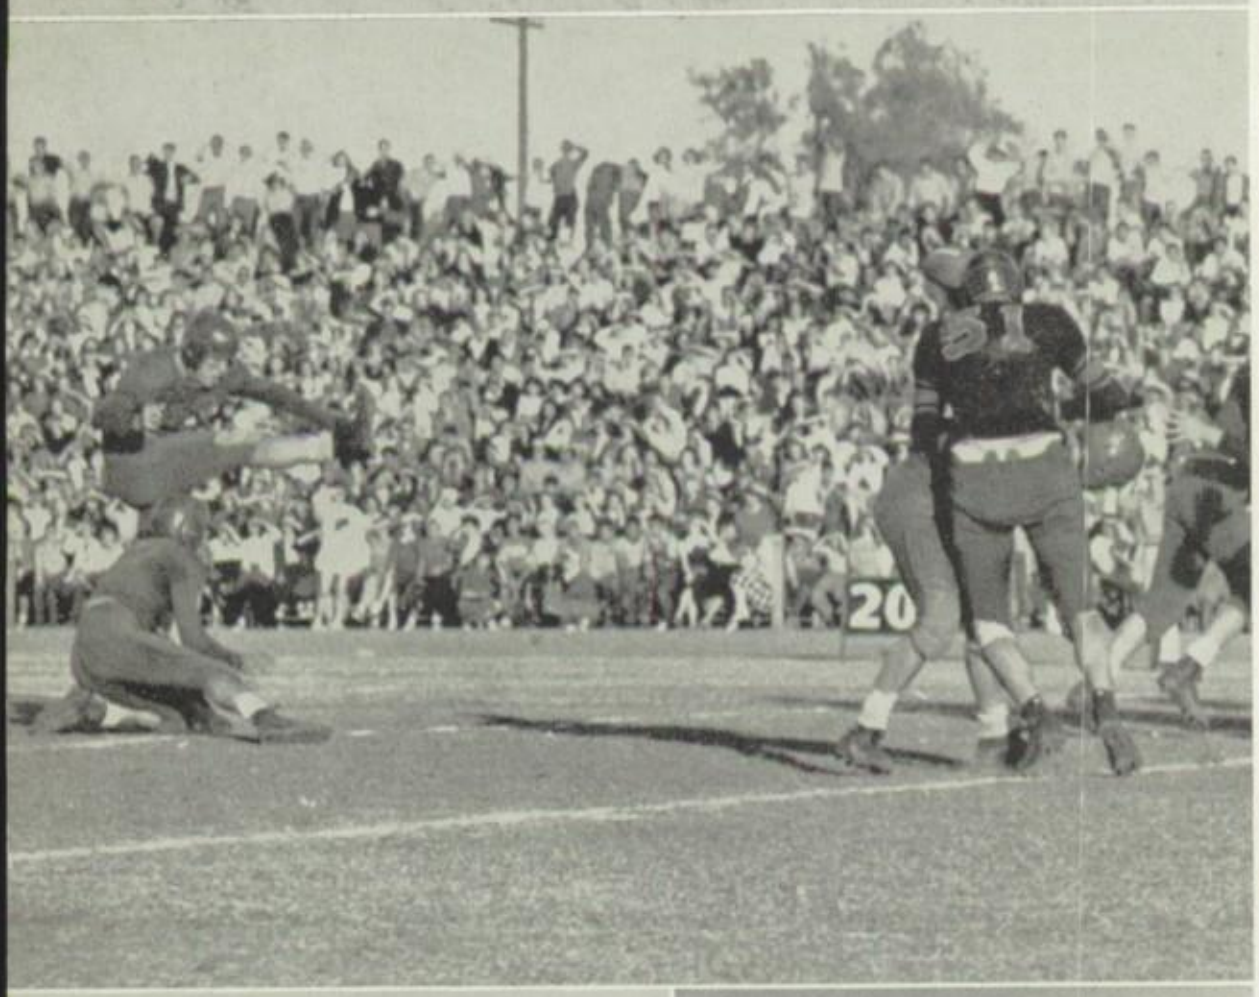
The Spark Behind the Spirit

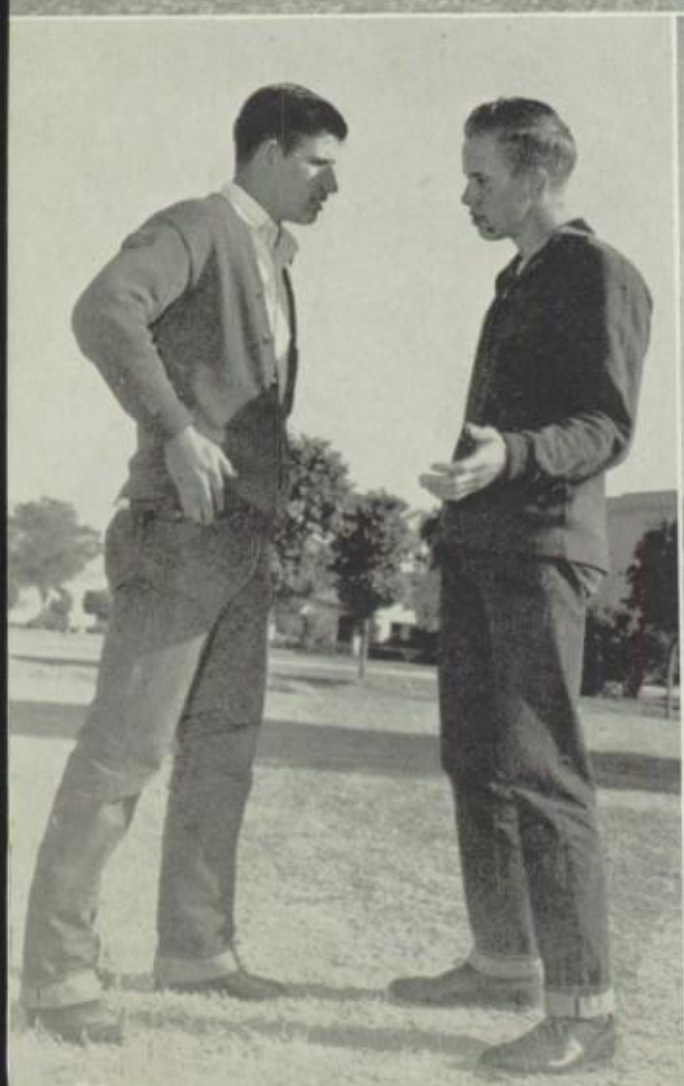
Cheerleaders: These five girls were the spark behind the school spirit. They kept the Mustang followers yelling and cheering football and basketball teams throughout the year.

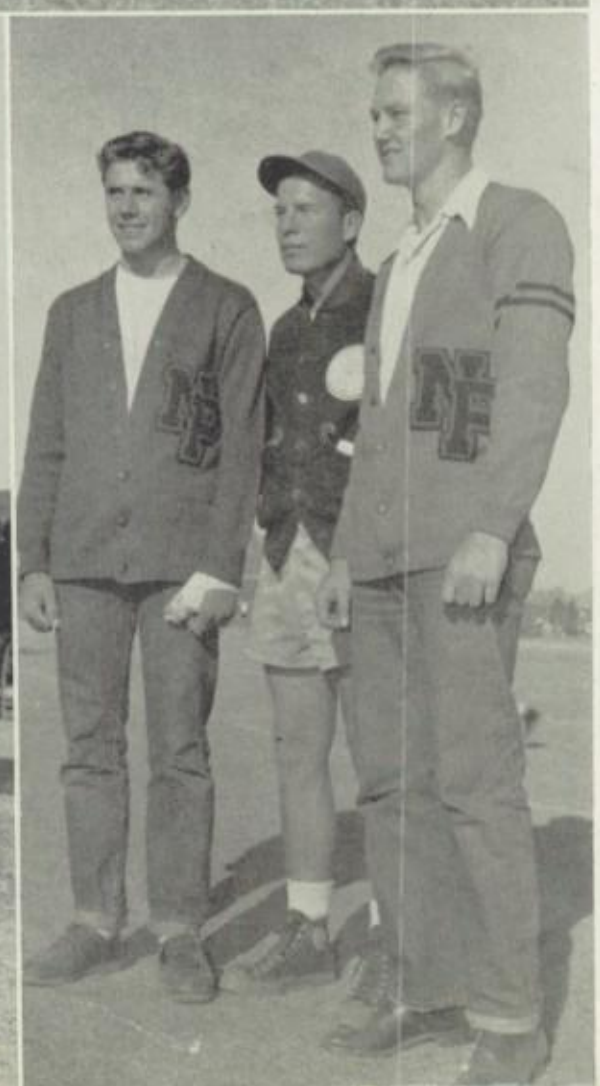
Wanda Miller, Gwen Davis, Frances Warner, Norma Love, and Faye Kelly earned the thanks and appreciation of all Mustangs.



The B-I-G Point

Ken Thompson kicks the extra point after the first touchdown in the Turkey Day game. This point saved the Mustangs from a 13-12 defeat.





Honors For These

Don Fancher and Ken Olson were elected honorary captains of the 1947 football team by their fellow teammates.

Boyd Clements and Arnie Petersen received All-State honors. They are pictured here with Coach Ruth.

They Don't Come Any Tougher

The Mustangs were rated from two to five touchdown underdogs, but North High rooters refused to give up hope.

In the most thrilling game seen in Phoenix in recent years, the Mustangs hit their season high by downing the Bulldogs, 27-20. Coming from behind with two last period touchdowns, the Hosses displayed the stuff which had developed them into a powerhouse late in the season.

The Red and Blue then settled down to prepare for the big game with Phoenix Union, just two weeks away.

Thanksgiving Day was clear and hot, and Montgomery Stadium overflowed with rooters from the two schools. Previous contests counted little, and both teams were out to get the Harper's Ferry Musket, awarded to the winner each year. Phoenix Union had won it for the first time the previous year.

North High jumped into an early 7-0 lead, but the Coyotes made it 7-6 at the half and 13-7 early in the fourth period. Arnie Petersen went over late in the game to tie it up, 13-13, to save the Mustangs from defeat. That was the final score. Phoenix Union retained the rifle as the result of the tie, the first in the seven-year rivalry of the two schools.

SENDOFF TO THE BOWIE GAME—*The whole school turned out to support the team as they left for the game with Bowie.*

"Victory" Was Our Cry - -

The Hosses ushered November in with a bang. The winless Phoenix Tech Hornets fell again in a completely one-sided contest, 40-7, to a fierce Red and Blue attack.

The real turning point in the ways of the Mustangs came the following weekend when they traveled to Yuma to meet the Criminals, strong contenders for the state championship. Supported by a small band of rooters, the Hosses jumped into a 20-0 halftime lead, completely baffling the whole Yuma team. Then they matched the Criminals point for point through the second half to knock them out of the championship race, 38-18.

Albuquerque came to town the next Friday, supported by 33 boosters from their student council, and boasting a record of 15 straight wins over a two-year period, including a 7-6 win over the Mustangs at the New Mexico capital the previous year. They also brought their All-American high school back of 1946, Chuck Hill.

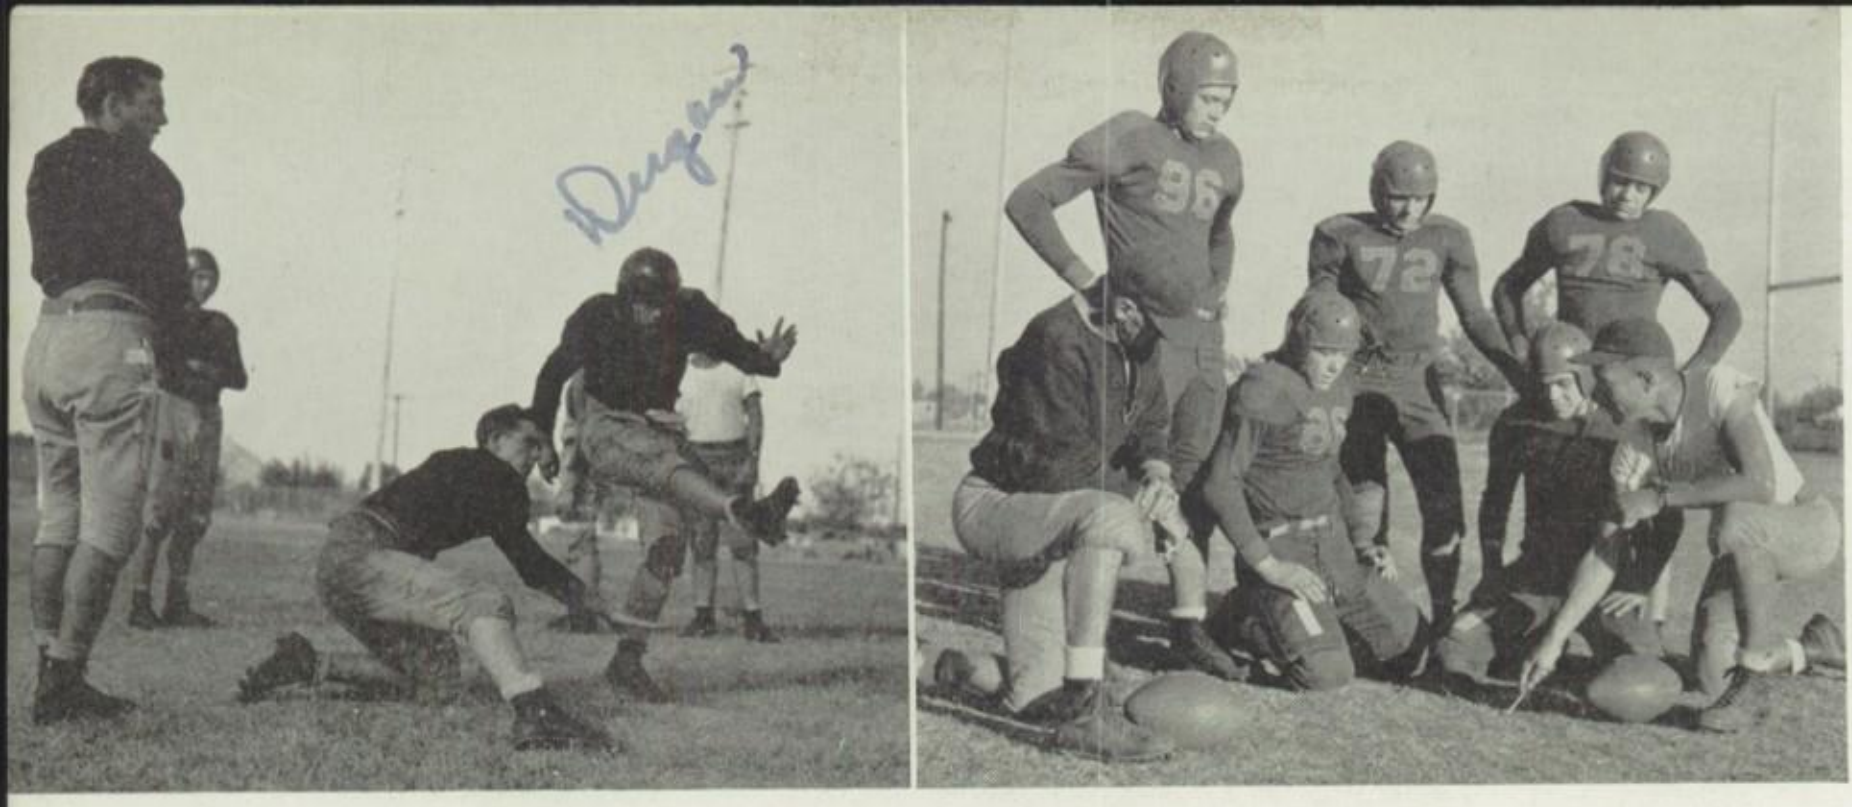
We Improve With Time and Practice

With spirits and hopes still high, the Mustangs, following a rousing sendoff, traveled to El Paso to meet the Bowie Bears and try to gain revenge for the 18-6 loss the previous year. However, Bowie threw a monkey wrench into the plan, by blasting the Red and Blue, 28-7. Late in the last period, Ken Olson scored from the one to avoid a shutout.

El Paso High, reputedly as strong as Bowie, came to North High the following weekend, confident of defeating the Mustangs, but the Hosses threw off the cloak of defeat, and tied the Tigers, 7-7, and were on the way to a winning tally as the final gun went off, just a minute too soon to suit North High followers.



PRACTICE MAKES PERFECT—*Three to four hours of practice daily moulded the players into a team.* LEFT—*Practicing Kicking: Dugan kicks while Taylor holds and Zehr and Hammon look on.* RIGHT—*Talking It Over: Coach Van Hoorebeke, Gene Mitcham, Bob Melton, Al Ludlow, Kemper Marley, Renard Nichols, and Coach Ruth. These five boys, all freshmen, made the varsity squad.*

The Opposition Was Tough

Opening against a light, fast, deceptive St. Mary's eleven, the Mustangs found the Knights a little more than they could handle, and fell, 14–0.

The next weekend, the Mesa Jackrabbits, 1946 champions, invaded Phoenix to meet the Horses. They met a vastly improved team and were held to a 14-13 lead until the last period, when they exploded for two touchdowns to win, 26-13. The Red and Blue looked like an entirely different team than the one which had lost to St. Mary's the previous week.

On October 3, the Hosses traveled to Glendale and scored their first major win in two years, by downing the Cardinals, 14-6, in a rough contest. The first time they got their hands on the ball, the Mustangs marched the length of the field to score, and then they held the scrappy Cardinals to a single score—on a Mayberry pass at the end of the first half.

Tucson's powerful Badgers invaded North Phoenix the next weekend, and the still-improving Hosses were hoping for an upset win, but Rollin Gridley's eleven had just too much power and they walked off with a 33-12 decision. Even though they didn't win, the Mustangs were the first to cross Tucson's goal line this year.

19 Days To Get Ready

On Labor Day, new head coach Walt "Cowboy" Ruth, and his assistants, Clare Van Hoorebeke and Don Pace, met approximately 100 football aspirants, eager to start practice for the first game of the year—with St. Mary's—just three weeks away.

After a week and a half of nothing but calisthenics, the boys settled down to learn the basic fundamentals of the game. Those who couldn't take the grind were soon weeded out, and the less experienced players were sent to the Colt and Frosh squads, leaving the "cream of the crop," mostly seniors, for Coach Ruth and his assistants to mold into a working unit.

These twelve players formed the "base of fire" of the Mustang attack. From end to end and in the backfield, these players worked together as a single unit.

Lining up at ends would be Boyd Clements and Ken Hammon; at the tackle posts — Claude Black and Bob Walker; Larry Dugan and Jack Schilleman would be found at the guard spots, and Don Fancher would be over the ball at center.

The backfield men would be chosen from Del Taylor, Tom Wilmoth, Ken Olson, Arnie Petersen, Ray Zehr, and Ray Dezember (not pictured.)

. . . And Excitement Galore

Arizona prep schools offer a brand of football of as high caliber as any played in the nation. On Friday nights and Saturday afternoons, on the big fields and on the small, hard, exciting games are played for the entire 48 minutes, from the opening kickoff to the final gun.

North High's addition to the pigskin parade of 1947 developed into a late-season powerhouse that could more than hold its own against any Arizona high school team.

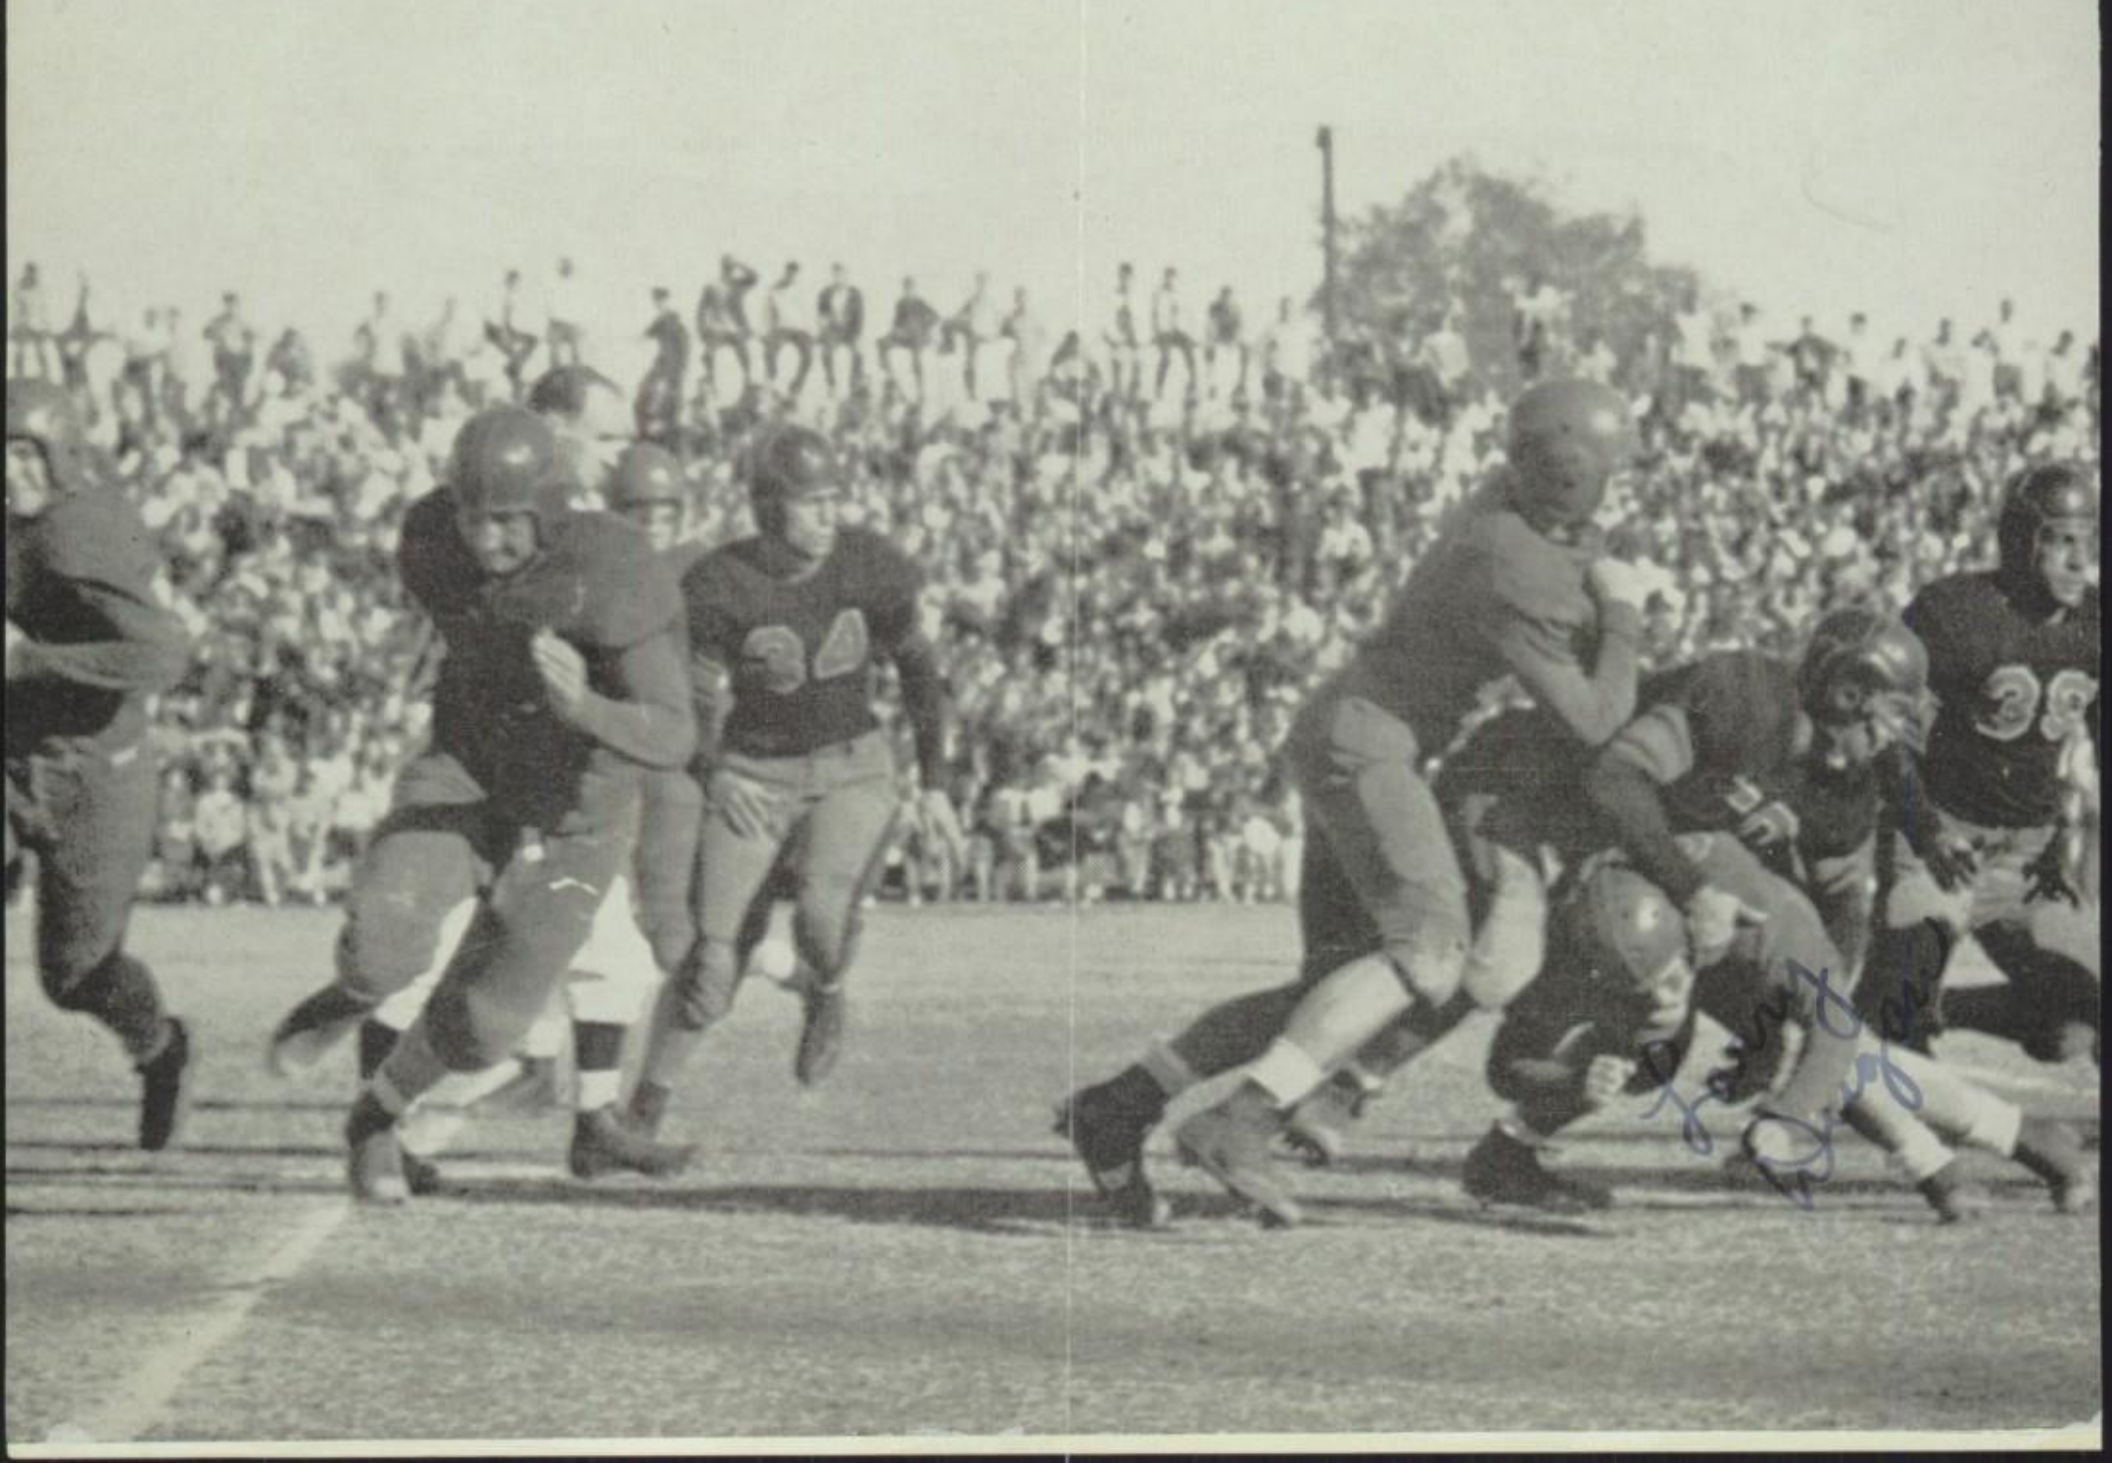
Fall Brings Football . . .

When the first tinge of Fall is in the air, and the students are returning to the classrooms, our great fall sport, football, comes into its own. Millions of people, eagerly awaiting the chance to yell themselves hoarse rooting for their favorite high school, college, or professional team, welcome the advent of the football season.

Arizona sports fans are no different from any others, and on weekend after weekend they may be seen trekking off to the stadiums to watch the teams of their choice at battle.



Best wishes

The Graphic Arts Club is made up of boys who wish ot do further work in printing. They have printed most of the tickets used by North High students, as well as many of the school's office forms. One of their outstanding productions was the handbook, "Welcome to North High." This spring the club printed the Crazy Quills magazine, "Tumbleweeds."

The Auditorium Club is purely a service organization. Its members pass out programs and usher at activities held in the auditorium, whether admission is charged or not. Flossie Jones was president and Norma Attebury was vice-president. Miss Elsie Deaver was the adviser.

Big Brass — And the Firing Line

Membership of the ROTC Club consists of officers of all ROTC units here at North High, including Girls' Military. They are either juniors or seniors. In case you've wondered what ROTC stands for, it is the abbreviation for "Reserve Officers Training Corps." The ROTC Club adviser is Captain William Toy.

The Rifle Team has admitted girls to its membership only during the past two years. The members of this club must be outstanding student military leaders. They are trained to handle rifles properly and to know their mechanism. The coach of the Rifle Team is Technical Sergeant Douglas Sheridan. Members from the team this year placed second in the Sixth Army Gallery matches.

Parades, Reviews, and Inspections

All through this school year the military department has looked forward to and worked hard for the annual Military Night, held in May. In weekly inspections great improvement was shown in marching, rapidity of executing commands, knowing general orders, etc. During the year the military participated in several parades, special drills, and gave a formal dance.

THE MIXED CHORUS—*During the year the above pictured students have presented many wonderful musical assemblies. Mrs. Ardith Shelley took over direction of all the vocal groups this year.*

Voices — With and Without Accompanimen

The mixed chorus, glee club, and a cappella choir, all under the direction of Mrs. Ardith Shelley, presented much talent to the school this year. Many startling new voices were uncovered from the mass of buried talent at North High — one especially, belonging to Joan Severs, delighted all who heard it. All who heard Joan sing songs like "Summertime" and "Ave Maria" agreed that this North High junior will go places in the musical field.

Among the assemblies given were the special religious ones at Christmas and Easter. These were particularly inspiring. Outside school activities for the choral groups were entertaining at various club meetings and public assemblies.

One song that everyone at school seemed to enjoy was the Fred Waring arrangement of the Negro spiritual, "Dry Bones."

Making Music To Everyone's Taste

During the not-so-long school year, the North High music department, under the direction of Mr. Lynn W. Fitzgerald, has played a great part in activities, in and out of school. There were the many assemblies, so enjoyed by their audiences — the state fair in November, when the band did the entertaining — the Mid-winter Concert in December — the Freedom Train's arrival in Phoenix and the North Phoenix Band's being given the supreme honor of not only being the sole band to greet the Train, but also representing their fellow students in going through it.

There were also the many parades in which the band displayed its talent and the great job they did at the annual Pioneer's Reunion in March. The Rodeo played a big part on the band's agenda this year, as it does each year.

And there were the plays at which the music department held a great part — the band's stimulating renditions at the junior-senior play and the beautiful strains of classical music presented by the orchestra at the performance of "Romeo and Juliet."

Developing Poise Before the Public

The North High Players are instrumental in presenting dramatic productions to the school. Their backing has put on many a play to eager North High audiences.

Public speaking is an important factor in many students' schooling. It improves diction and voice, and most of all gives the student poise. Apparatus for playing back the student's voice is also a great help in correcting faulty speech.

Of interest to public speakers is the annual Constitution Oratorical Contest. It involves the participant's writing his own speech, and memorizing and presenting it to an assembly.

Radio seems to hold great fascination for many, as was proved by the great number of volunteers for the numerous Red Cross sponsored broadcasts showing school life and its talent.

Honors For Youthful Dramatists

Thespians is a chapter of the national honorary organization and is open to students who have participated in school plays presented to Phoenicians. The plays presented this year were "A Date With Judy," "Romeo and Juliet," and "Berkeley Square." Members have also acted in various dramatics assemblies.

Traditional initiation ceremonies and several parties during the year are a part of the club's activities. Mrs. Virginia Duncan and Miss Lucille Hicks were the advisers.

Shakespearean Drama Comes to North High

When it was announced to the student body that the All School Play would be "Romeo and Juliet," a few were skeptical—No high school could do anything with a great Shakespearean drama.

But those who had faith were rewarded when the cast, under the direction of Mrs. Virginia Duncan, put on an excellent performance. Especially memorable was the balcony scene.

Pat and Joyce Make "Judy" a Hit

November 21-22, 1947, North Phoenix students were very pleased with the performances of Pat Pollard and Joyce Jennings and their respective casts in the All School Play, "A Date With Judy."

The casts included Terry Thomas, Frank Duerson, Bob Seely, Doug Cook, Irv Blum, Howard Klink, Elaine Engstrom, Gay Flynn, Christine Lewis, Mary Hodges, Ann Pitman, Jacque Mercer, Kitty Marx, Nancy Chadbourne, Darrel Macy, Charles Shoemaker, Neal Roberts, Ridge Wurl, Rosie Bennett, Norma Redman, Betty Bock, Rogene Hinshaw, Helen Jones, Mary Louise Langley, Marilyn Broberg, Jan Refsnes, Dale Hogue, and Chuck Forsythe.

Enough Quills For A Porcupine

The members of Crazy Quills have been using their talents in doing creative writing. The literary works they have accumulated during the past four years have all been used in presenting to the students the club's own magazine, "Tumbleweeds." Elmon Coe was editor. Copies were sold to the students for a mere twenty-five cents. The club devoted its entire time this year to the publication of this magazine. Miss Helen Morgan was adviser.

Quill and Scroll is an International Honorary Society for which only outstanding journalism students are selected. Candidates are elected from either the Hoofbeats or the Mustang Roundup Staff. They must be upperclassmen and must be in the upper third of the class. They must have done superior work in journalism. They must also be recommended by the adviser, and, lastly, they must be approved by the Executive Secretary of the Society. Of course, they must endure the customary initiations.

PLANNERS—*Mickey McGuire, Advertising Manager, and Elisabeth Hawkins, Editor of the 1948 Hoofbeats.*

Since the beginning of the school year, the Hoofbeats Staff has slaved like fiends to make this book a really good one. Of course every year the annual is going to be "the best ever" and at the end of every year the staff decides it is the best —but we'll leave that decision to the reader.

Early in the year the staff, consisting of the editor, section editors, assistant editors, typists, artists, and photographers, is selected, and they begin long months of work. Mr. John C. Raymond guides the Hoofbeats "family" over the rough spots.

Getting out an annual isn't as easy as some people may think. There are layouts to be made, pictures to be assigned and taken, copy to write, and heads to be written. There is also the unexciting task of getting information for the copy. Then comes the time for the cutting of the pictures to fit the layout on the page.

After all of the work is done, the staff can relax and look back on the work done, enjoying it and hoping that you too, will enjoy and appreciate it now and for years to come.

HOOFBEATS STAFF—FRONT ROW: *Phillips, Brown, Pitman, Hawkins, Krauth, Cook, McCracken.* SECOND ROW: *Abbott, McGuire, Klink, Reger, Porter, Mr. Raymond, Hanna, Hoelzen, Groh, Snow, Justice.*

NOTABLE—*Pictured from left to right interviewing presidential candidate Governor Harold E. Stassen of Minnesota, are Royce Blair, Esther Clark, and Neal Roberts.*

Byliners Meet Headliners

Although the staff dishes out the work, it takes the reporters to bring it in. Their jobs are writing interviews, features, and plain news stories. Although interviews with important people such as Governor Stassen, Errol Flynn, Nelson Eddy, and Frank Sinatra are fun, they are work, too. And when the reporter does an especially good job on a story he is rewarded with a by-line, recognition on his story in print.

The reporter "branch" of the newspaper consists primarily of journalism students or students who have had journalism in a previous year.

ROUNDUP REPORTERS—First Row: *Brown, Spear, Walling, Hilfinger, Justice, Hunsicker, Hollander, Arnold, Stuart, Petersen.* Second Row: *Schwab, Krauth, Dunlap, Reed, Mercer, Stevens, Campolongo, Cook, McCracken, Blomquist.*

They Edited The News

Fifteen wonderful issues of the Mustang Roundup were presented to the students and faculty of North Phoenix this year through the tireless efforts of its staff. Mr. John C. Raymond was adviser.

The staff has the arduous task of correcting mistakes on copy and laying out the paper. It also has the exciting job of writing headlines, assigning stories to the reporters, and seeing to it that the deadline is met.

This year the Roundup was sent to a school in Germany as part of the "U. S. Press Goes Overseas" program.

Featured during the course of the year were Brotherhood Week, Book Week, a special Christmas edition, the April Fool's issue, and the Senior Graduation number.

DIRECTORS—*Fred Mendelsohn, Business Manager, and Royce Blair, Editor of the 1947-48 Mustang Roundup.*

Organizations and activities at North High offer wide opportunities for friendship, leadership, and companionship, which play an integral part in our extra-curricular activity in the Valley of the Sun.

A Memorable Evening - The Blue and Silver

The Blue and Silver Ball is one of the outstanding social events of the year at North Phoenix High. To the girls it is THE Dance—and all boys consider themselves very fortunate if they rate invitations.

In the series of pictures below, you can see the Blue and Silver in story form.

Party Time Is Fun Time

Behind the Footlights

This section of the 1948 Hoofbeats aims to present the reader with a Kaleidoscopic array of what went on inside and outside the school grounds—the activities which have no other name but School Life.

To start with—Do you remember the assemblies? In the boys' assembly (upper left) cowboys Bob Redmon and Bill Shoemaker entertain Jack Willsey, "the girl." The new teachers presented an assembly featuring (top center) Mrs. Duncan reciting the famous poem, "Rain," and (upper right) Mr. Nichols directing his famous orchestra, with Mr. Lang, Miss Brink, Mr. Hatch, Mrs. Young, Miss Jacks, Mr. Melvin, and Mr. Frank.

In the Military Ball assembly (right center), Natalie Denton entertains with a song. Visiting with Lanny Ross, famous radio singer (lower left) during his visit to North High, are Kesterson, Osborn, Pettycrew, Aurrell, and Smith.

In the boys' assembly (lower right), posing for the finale of the famous "Red Silk Stockings" number, (left to right) Grammar, Blum, Sartorius, Wurl, Hill, Robertson, Willsey, Bunce, and Skaggs.

Dances, picnics, fads—all these depict student life as it appears on the North High campus. We've had our parties, a Hello Day, Sadie Hawkins Day—Fair Time, Christmas Time, Rodeo Time—with the typical Valley of the Sun atmosphere.

FRESHMAN *Class Officers are Pat Brown, Secretary; Jack Powell, Vice-President; and Dianne Flickinger, President.*

Looking to the Future

The class of '51 is expected to be one of the finest classes in the history of the school. Through the new system of English-Orientation classes, in which they study the school constitution, student government, and proper usage of the library and other important on-campus spots, the Freshmen have learned to voice their opinions in the various school activities.

The class had many social events, including the Freshman Mixer, an afternoon tea dance, a skating party, and a big party in the spring. The class also sponsored a PTA picnic and presented a class assembly.

Members of the class were active in the school sports as well as student government.

Having learned the customs, habits, and traits of the Mustangs, the Class of '51 looks like a sure bet to establish some records of its own in its four-year stay at North High.

Future Upperclassmen

This year's Sophomore Class has certainly gained recognition as a most worthy group. They were successfully led by President Wes Johnson, Vice-President Don Ruppert, and Secretary-Treasurer Margaret McDonald.

They participated in and contributed to many of the school's extra-curricular activities by sponsoring a dance after one of the basketball games and by winning second place in the Intramural Track Meet.

During the year a special Sophomore assembly was held. Later plans were made to form a new committee called the Sophomore Council, which has sixteen members and thus gives the class more representation in other scholastic meetings.

Plans were also made for a party held late in the season.

NEWLY ORGANIZED, *the Sophomore Council, led by President Wes Johnson, discusses future plans of their class. At the meeting:* FRONT ROW: *McDonald, Beardsley, Binkley;* SECOND ROW: *Rhodes, Brown, Siekman;* THIRD ROW: *Russell and Hammon.*

FORTY-NINERS — *Findley Randolph, vice-president; Rosie Bennett, secretary; and Rayburn Dezember, president, provided the leadership that has made this year's Junior Class one of distinction.*

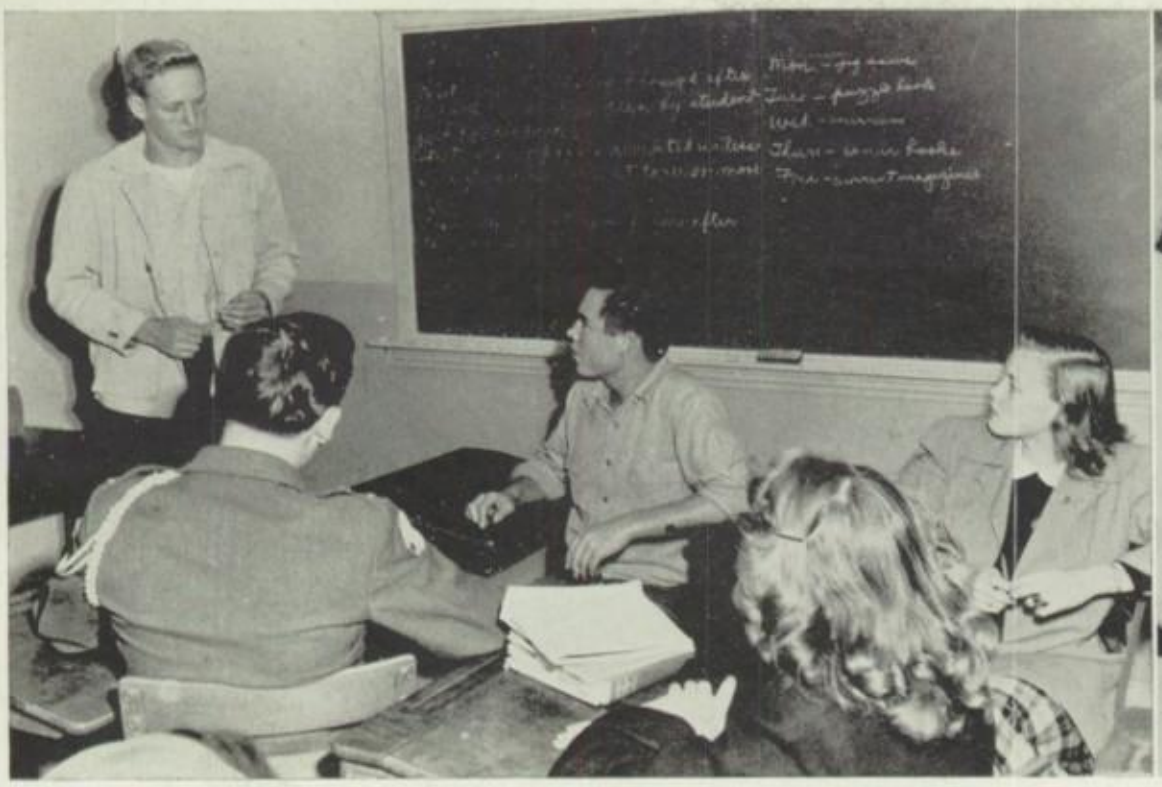
Juniors - "The Class of Classes"

It's time for them to roll up their sleeves and start to work. This year's Juniors are going to be the leaders next year when they become "sober" Seniors and have to think about graduation and leaving the school.

The Juniors have had fun this year being part of the upperclassmen, and proved they were an up 'n' coming class by staging the wonderful Sadie Hawkins' Day for the March of Dimes benefit. They have been successful and have had fun in everything they've done, including Sadie Hawkins' Day, winning the Intramural Track Meet, and the Junior-Senior Prom. They were almost as good as the Seniors!

Certainly all the Juniors agree with their class president, Ray Dezember, when he says, "The best class yet." Findley Randolph, vice-president, and Rosie Bennett, secretary, of course, are sure of it. We know the Juniors will really make things hum next year.

OH, HAPPY DAY!—*One of the most worthy and also entertaining affairs this year was the Sadie Hawkins' Day Dance, which was sponsored by the Junior Class. Beverly Henry is well guarded by Rosie Bennett, Mr. Inman, Stanley Radcliffe, and Ray Dezember as she adds some of the evening's earnings to the fund for the March of Dimes.*



Seniors Plan Big Activities

This is the first year that the Senior Council has met to discuss current Senior problems. Mr. Joseph McKinney and Miss Zula Stevens were the advisers for the group. The council is composed of one senior representative from each homeroom.

In the picture at the left Arnie Petersen is presiding. Seated are Jack Stoeckel, Joy Larson, Tom Brashears, and Portia Call. In the picture at the right listening to Arnie are Jack Stoeckel, Joy Larson, Betty Dee Parker, Billie Hunsicker, Machrina Best, and Caroline Randolph.

CROWNING EVENT—*Max Dunlap and Jackie Ginn get their crowns as King and Queen of the class of '48, from the hands of the president, Arnie Petersen.*

They Had A Royal Good Time

This year Max Dunlap and Jackie Ginn were elected to reign as King and Queen of the Senior Class. They were crowned by the class president, Arnie Petersen at the annual Hop held on Apirl 8. All the senior officers of the Class of '47 were guests of honor. The library was converted into a dance floor with Chuck Willington's band furnishing the music. Punch was served in the patio. The general chairman was Jack Stoeckel.

Another outstanding annual event was the senior picnic, which was held at Bud Brown's Barn. Music for square dancing was furnished by the Barn Burners. A meal of hamburgers, chili, cokes, and ice cream was served. Mr. F. V. Brown's homeroom put on a very entertaining skit portraying the various teachers at North High.

CLASS OFFICERS—*Gale Grammar, Marian Davis, and Arnie Petersen.*

The Senior Class, under the most capable leadership of Arnie Petersen, President; Gail Grammar, Vice-President, and Marian Davis, Secretary-Treasurer, has set a high standard for future students of North Phoenix High School. Excelling in scholarship, journalism, activities, and athletics, the Senior Class leaves behind it a high goal toward which the class of '49 must aim.

Seniors — And Then Goodbye

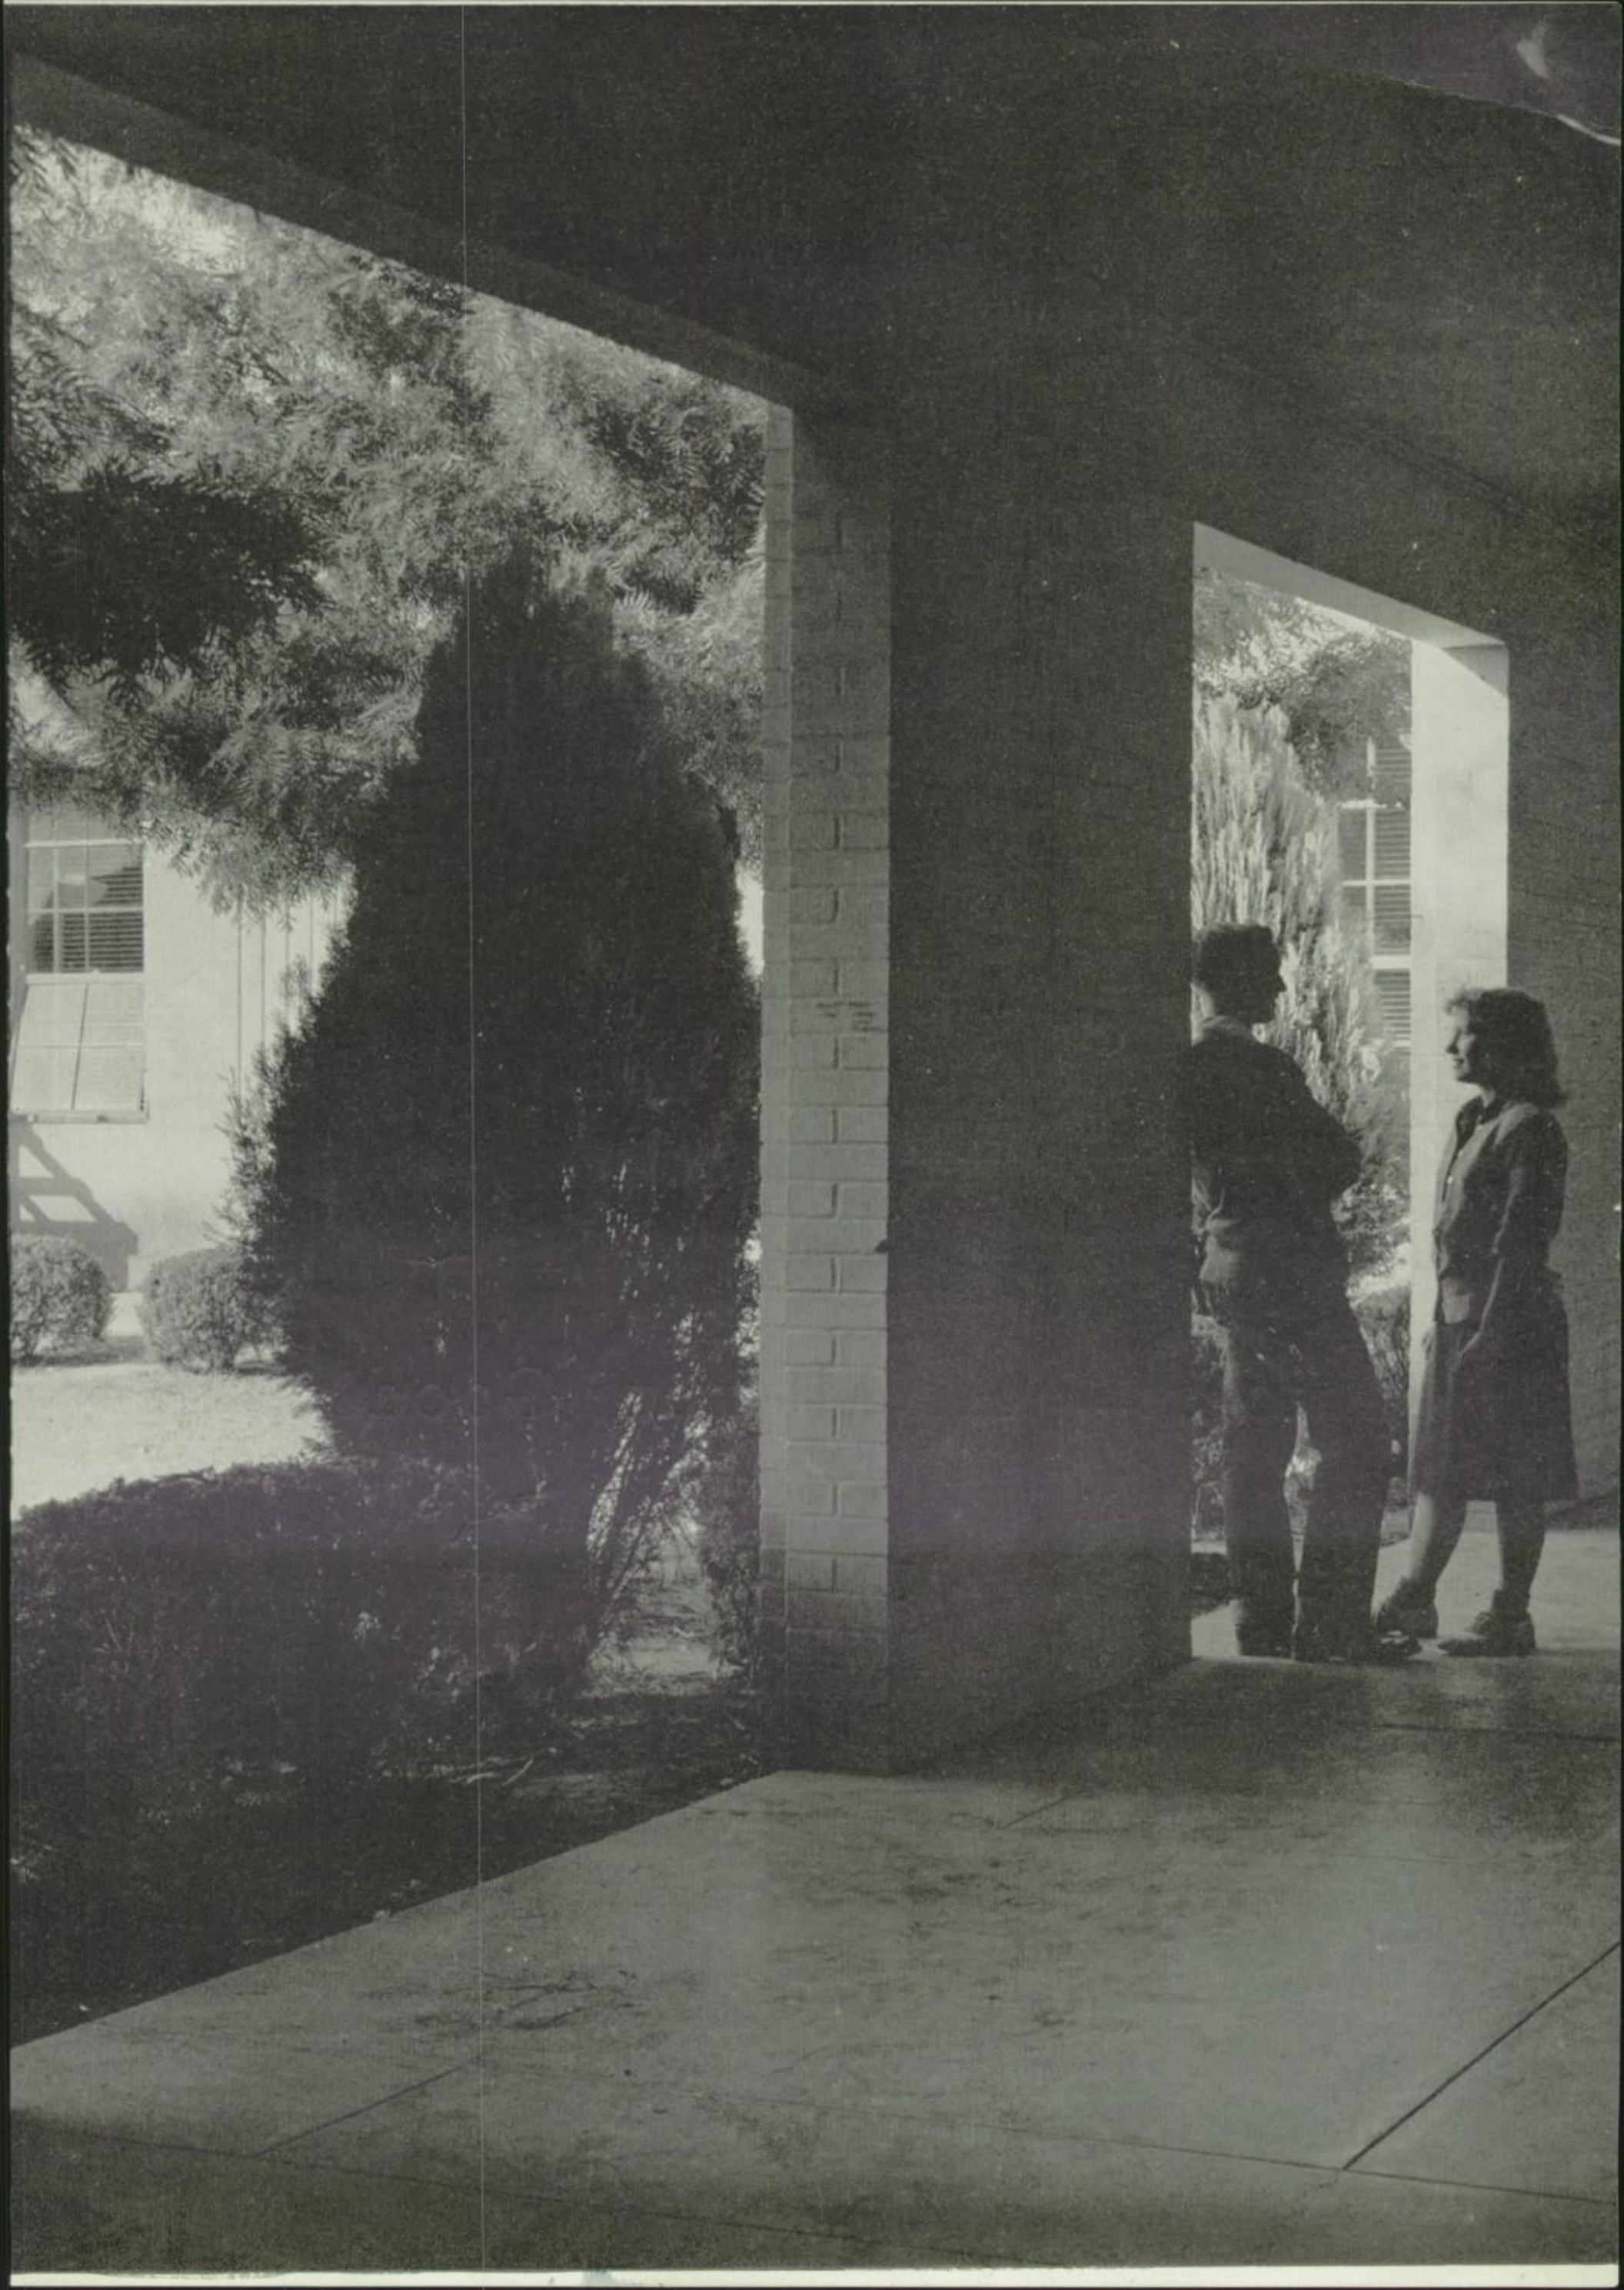
Four years crowded with studies, activities, and fun at North High has come to a close for the Class of '48.

Serving on the Mustang Roundup and Hoofbeats, Girls' League and Boys' Alliance, and many other organizations, the graduates have proved themselves invaluable through these past four years.

The band, orchestra, and choirs have been supported by the graduating seniors.

Their athletes have brought honors to our school in football, baseball, basketball, and track.

The underclassmen will miss the seniors; their cheerfulness will always be remembered; and although their places will be filled, they will never be forgotten.



Although life in the Valley of the Sun has many leisure time diversions, the pursuit of knowledge is not neglected. And we, on our journey from Freshmen to Seniors, all too soon reach graduation, the climax of our four years at North High.

Representing All The Boys

Members of the "M" Club form a welcoming committee which meets and entertains visiting athletic teams, especially out-of-town clubs.

There's Work For the Boys To Do

Each boy attending North High is a member of the Boys' Alliance. At the head of this organization this year were Bill Miller, president; Merle Wackerbarth, vice-president; and Frank Glindmeier, secretary. The big Spring formal dance, "Moonlight and Memories," is an annual event of the Alliance. Jointly with the Girls' League, the boys sponsored the all-school play, "Romeo and Juliet."

The Advisory Board, consisting of the elected officers and various appointed members, works to carry out the plans made by the Mustang Congress, the representative body of the organization. Mr. Frank Anderson, as Dean of Boys, filled the position of faculty adviser.

Busy Every Minute

The Girls' League Council, made up of a representative from each homeroom, interprets to all the Student Body the work of the cabinet. Wanda Harrison, sophomore, is president of the Council.

A big event each year is the Every Girl's Dinner. The girls of each homeroom decorate tables along a given theme. The theme this year was song titles. Some songs very clearly illustrated were "Midnight Masquerade," "Alice Blue Gown," "Shanty Town," "Candy," and "Silver on the Sage," which won the first prize.

Their Job Is Great

All girls enrolled in North High, as members of the Girls' League, participate in the many Girls' League activities during the school year.

The first and biggest activity of the year is the annual Blue and Silver Ball, held in the North High gym. A PTA panel discussion on the topic "How Much Should the High School Student Contribute to the Home?" was sponsored by the Girls' League and the Boys' Alliance together.

Acting as an advisory group is the cabinet, on which are the officers and a representative from each of the four classes. The cabinet recommends ideas to the council and appoints numerous committees. Serving as sponsors for the cabinet were Mrs. Jewell Rasbury, Miss Mildred Jacks, and Miss Florine Kitts.

They Planned for Fun

Good wholesome entertainment is very important in any school—so it is at North High. Assemblies and dances play a big part in the entertainment of a school as large as this.

The Assembly Committee plans programs of entertainment and education that they feel the student body will enjoy. The Social Committee arranges most of the dances and many other social events put on during the school year.

All students like music to listen to while they are eating. Through the work of the Juke Box Committee, North High is now the proud owner of a cafeteria juke box.

Democratic Self-Government

Members of the Student Council work hard to carry out the plans and projects of the Executive Committee. This group is representative of all the student body and anyone who wishes may attend its meetings, though each homeroom has a delegate.

"The Honor School of the West" is the title the Honor Court is striving to uphold for North High. Cases of student infractions of the rules of the school are referred to it for adjustment.

New Boards Assume Duties

This year North High has three new student boards, the Bookstore, Cafeteria, and Athletic Association boards. PTA representatives, faculty members, and students make up these boards.

The Bookstore Board works to give the school books and other supplies at the least possible cost. The Cafeteria Board meets at least once a month during the school year to discuss and decide on important matters concerning the policies of the school cafeteria.

Acting as a control board of the school Athletic Association is the Athletic Board. Financial reports on each sport season are given by them. Arnie Petersen, senior, was president.

Mr. F. D. Brockett, school accountant, serves as treasurer for all three groups. Serving on these boards gives students good experience in administrative duties.

CO-ORDINATING COMMITTEE—*Miss Winona Montgomery, Miss Ruth Adams, Mr. James I. Stewart, Coach Rolly Caldwell, Mr. Frank Anderson, Mr. Harold Willams, Mr. Henry Schmidt, Miss Ellen Nitzkowski, Mrs. Roderick Johnson of the PTA, Mr. Charles Burton, Mr. Carl Wagner, Mr. Orville Hamm, Flossie Jones, Merle Wackerbarth, Wende Chrisman, Ken Olson, Alice McKinney, Ray Dezember, Bill Beardsley, Arnie Petersen, Bill Miller, Harold Dunlap, Marcia Brown, Max Dunlap, Devora Costanten, and Wes Johnson.*

Youth Community At Work

Students, faculty members, and parents serve together on the Co-ordinating Committee. They discuss mutual problems, such as the activity cards and the new constitution of the student body.

Serving as a governing and planning group, the Executive Committee finds their job a very important one. On this committee are the student body and class officers, as well as Girls' League and Boys' Alliance officers and representatives from each class from the Student Council.

EXECUTIVE COMMITTEE—FRONT ROW: *Mr. Inman, Falk, Brown, Wages, Dezember, Chrisman, Jones, Huskison, Randolph, Miss Nitzkowski.* SECOND ROW: *Johnson, Beardsley, Williams, Petersen, Olson, M. Dunlap, Wackerbarth, H. Dunlap, Dickinson.*

STUDENT BODY OFFICERS—
Ken Olson, Marcia Brown, and Max Dunlap.

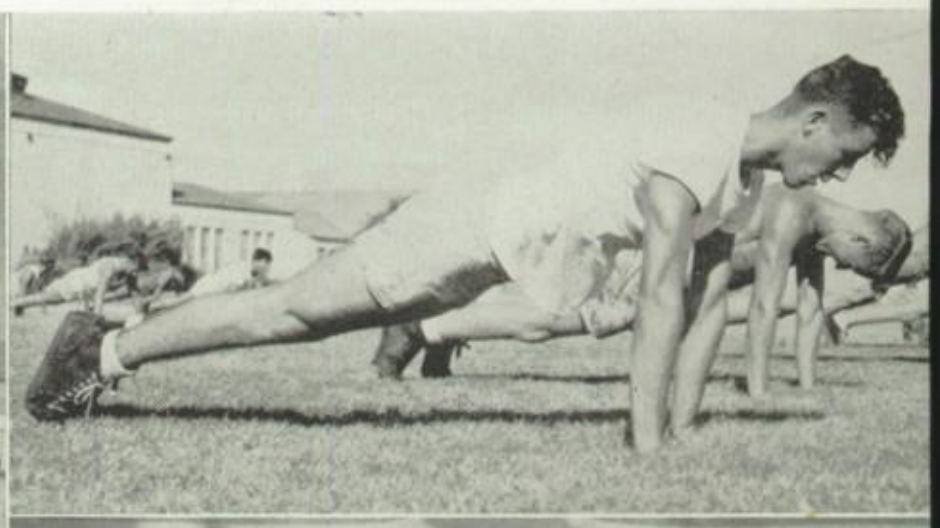
Guiding Us

Wide awake and ready for work, our officers have successfully led the student body through another school year.

They did a grand job of guiding North High's Mustangs in the Save the Children Campaign. European schools as well as individual children were adopted and supported by the students of North High.

As most emphasis was placed on the campaign for the Save the Children Federation, the drive for the Mustang Corral was not pushed quite so hard. In years past the grill, the picnic tables and benches, and the shrubbery have been paid for. The money raised this year was ear-marked for decorating the interior of the Corral building when it is built.

Leading the North Phoenix High School students in these activities were Max Dunlap, president; Ken Olson, vice-president; and Marcia Brown, secretary-treasurer.



Along with training the mind, North High trains the body. Physical education helps develop strong bodies and protects health. This year the gym classes have been divided according to the grade in school, thereby making a better organized program.

A freshman tennis team for girls has been offered for the first time this year, and the Dance Club has been made co-educational.

For the boys, there is a much better program than before, with a wider field of sports such as badminton, volleyball, and tumbling. This year the boys were given a physical test at the beginning of the year and again at the end to see how much they improved.

There Are Those Who Have Skilled Hands, Inquisitive Minds

Preparation For Various Futures

The work of the school ranges from the study made by the girls in the nurses' office through the chemistry classes and physical education. Home nursing is taught in the Health Center by Miss Lydia Potthoff, who also gives instructions in First Aid. In one of her classes (Upper Left), she is shown with Joanne Vucovich, Betty Rudy, Zelda Rosen, Wanda Miller, De Lynn Miller, Marcia Brown, and Rita Gray.

Miss Isabelle Howatt (Upper Right) reads to one of her first year Spanish classes. Miss Frances Kapanke (Lower Left) gives some pointers to Jan Refsnes in an art class. Others in the picture are Peggy McElroy, Madeline Haase, and Vada Lee Stewart. Watching the progress of her first year typing students (Lower Right) is Miss Chloe Fields.

Frolicking Out At Bud's Barn

Teachers indulged in several evenings of get-together fun. In the early Fall a get-acquainted party was held on the campus, with the new teachers providing the entertainment.

At a party held at Bud's Barn in December, an old time western atmosphere prevailed, as is shown in the picture (Upper Left) in which Mrs. Orville Hamm collars her husband. Upper Right: Amateur cooks, Mr. F. V. (Bud) Brown, Mr. Fred D. McDonald, and Mr. Lynn W. Fitzgerald spoil the broth. Commerce In Our School Life

Commercial subjects play a very important part in the world today, for without typing, shorthand, accounting, and bookkeeping, the world would be in quite a confused state. Our school offers all of these commercial subjects and more for the student who is willing to take them.

Miss Beulah Twist has done a very capable job of running the student ticket office and teaching office training. Mr. Bill Bartells, North High's new librarian, replaced Mrs. Marian Robbins, who was married during the first semester.

Training Of Mind And Body

Military training helps boys and girls to make better citizens of themselves, making them more alert and aware of what is going on in the world around them.

Physical education makes our school complete by molding a sound mind in a sound body. Students learn how to protect their health and keep in good physical condition.

Science Is Practicable

Agriculture was once thought to be a profession for the unskilled, but now it is one that requires knowledge and skill if one wants to succeed.

Since the atom bomb was perfected, science has become increasingly important. It is true that war is now a battle of scientists, but science also has an unlimited role in the cause of peace.

Shop work provides training for jobs and leisure time hobbies. In order to train girls for their futures in the American home, North High offers excellent courses in home economics.

MATHEMATICIANS—*Miss Edna Ruth Contris, Mrs. H. E. Muth, and Mr. Holland Melvin relax in the teachers lounge* (UPPER LEFT). *Mr. Frank V. Wooden* (RIGHT) *are shown in the mathematics office in the Science Building.*

Math Stimulates Thinking

Mathematics is a subject which today is required in the great majority of the professions which young people enter. North High offers a wide variety in its math courses; from simple algebra and business math to trigonometry, advanced algebra, and solid geometry.

WORLD STUDY—*Miss Mary Montgomery and Miss Mary Gomez look over a Spanish Magazine* (UPPER LEFT). *Miss Anna Schlichter and Miss Eva S. Learning About Other People

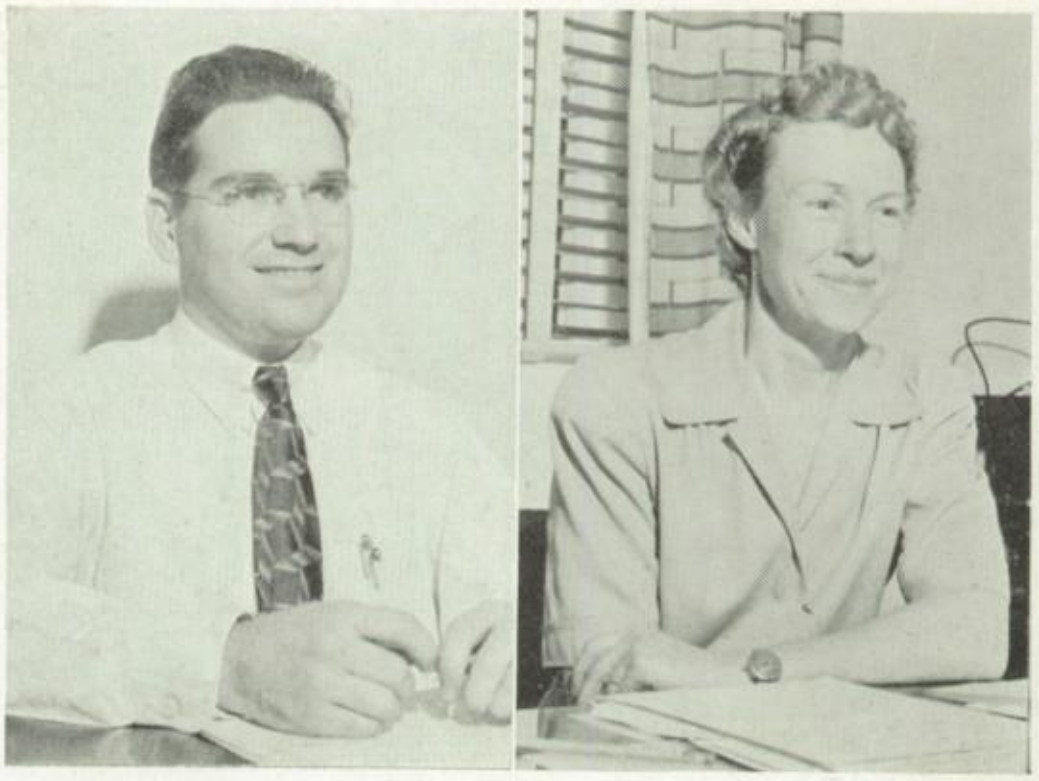
The best way to understand the people of another country is to speak their language. In this connection our school offers three languages — French, Spanish, and Latin. It is especially wise for us here in the Southwest to learn Spanish because of our close contact with Spanish-speaking people.

History, too, helps us to learn how other people think. History teaches us also to think in terms of present day problems and to readily cope with these problems.



COUNSELORS — *Mr. Frank Anderson, Dean of Boys, and Mrs. Jewell Rasbury, Dean of Girls, in their offices in the Liberal Arts Building.*

Guidance For Boys and Girls

Mr. Frank Anderson, Dean of Boys, does much to help new boys get acquainted with the school and to promote friendliness among all the boys. He is always happy to help those who are in need of counseling. He serves, also, as adviser of the Boys' Alliance.

The Dean of Girls, Mrs. Jewell Rasbury, is the sponsor of the Girls' League, which this year aside from its other activities has promoted the Friendship Committee, whose job it is to make new girls feel at home at North Hgh.

MEMBERS *of the Friendship Committee are (left to right) Marjorie Walling, Beverly Trowbridge, Ada Webb, Norma Redman, Peggy Lawless, Ann Nicholas, Cynthia Brown, and Susan Randolph.*

Parents and Teachers Get Together

At one of the early meetings of the PTA, the Girls' League and Boys' Alliance held a panel discussion on the topic "How Much Should a High School Student Contribute to the Home?" The speakers were Mrs. E. P. Pierson, John Pierson, the Rev. Fred Barnhill, Don Harrelson, Elisabeth Hawkins, Howard Klink, and Frankie Lou Brown. Mrs. Mildred Hill moderated.

Two school open houses were held, one in the Fall and one in the Spring.

Mrs. Roderick B. Johnson, president of the PTA, presented North High with a check for $1,100 for the Mustang Corral Drive.

Where The Records Are Kept

North High's registrar, Mr. Charles M. Burton, is always on hand to counsel any student who needs his advice. When registering for their next year in school, many Mustangs ask Mr. Burton for help in choosing the subjects which they are most suited for and from which they will derive the most benefit. Miss Ardis Coburn acts as Mr. Burton's private secretary.

Donna Wing* (LOWER LEFT) *assists Mr. D. F. Brockett, school accountant, and Mrs. Flora Darland, in their office in the Bookstore. Mrs. Margaret Gring* (LOWER RIGHT), *secretary to the Deans, operates a mimeograph machine.*

Administration, Registration, and Finances

From 8 in the morning until the close of the school day, Mrs. Hill and Miss Patterson are kept busy with the various jobs to be performed by the principal's office. Aside from being Mr. Stewart's private secretary, Mrs. Hill stencils the daily bulletin, operates the switchboard, welcomes visitors, and answers questions of students and parents. Mrs. Hill is assisted by Miss Patterson, who helps by running the lost and found department, making announcements over the loudspeaker, and filling the teachers mailboxes.

With the change of the bookstore into the accounting office this year, Mr. D. F. Brockett was named as the school accountant. His job is to take care of all financial affairs of the school.

Across the hall from the principal's office is the registrar's office, where Mrs. Westby and Miss Williams issue and record absence permits and tardy excuses. They also must keep students' records up to date all through high school and file them for future reference. Their jobs all require the utmost efficiency.

A Principal With Principles

Never too busy to listen to the problems of a fellow Mustang, our Principal, Mr. James I. Stewart, has the difficult job of preparing North High students for their places in the community.

Under his leadership this year North Phoenix High School took further steps to carry out an integrated, planned system of representative and democratic school government.

Mrs. Hill and Miss Patterson, his secretaries, have various tasks, such as answering the questions of students and parents, operating the lost and found department, keeping files, doing secretarial work, making announcements over the broadcasting system, and running the switchboard.

MR. JAMES I. STEWART, *in an informal pose at his desk, studies a matter of student welfare.*

Providing For The Needs of Youth

The members of the Board of Education of the Phoenix Union High Schools and Phoenix College are always eager to help the students with any problems that they might have.

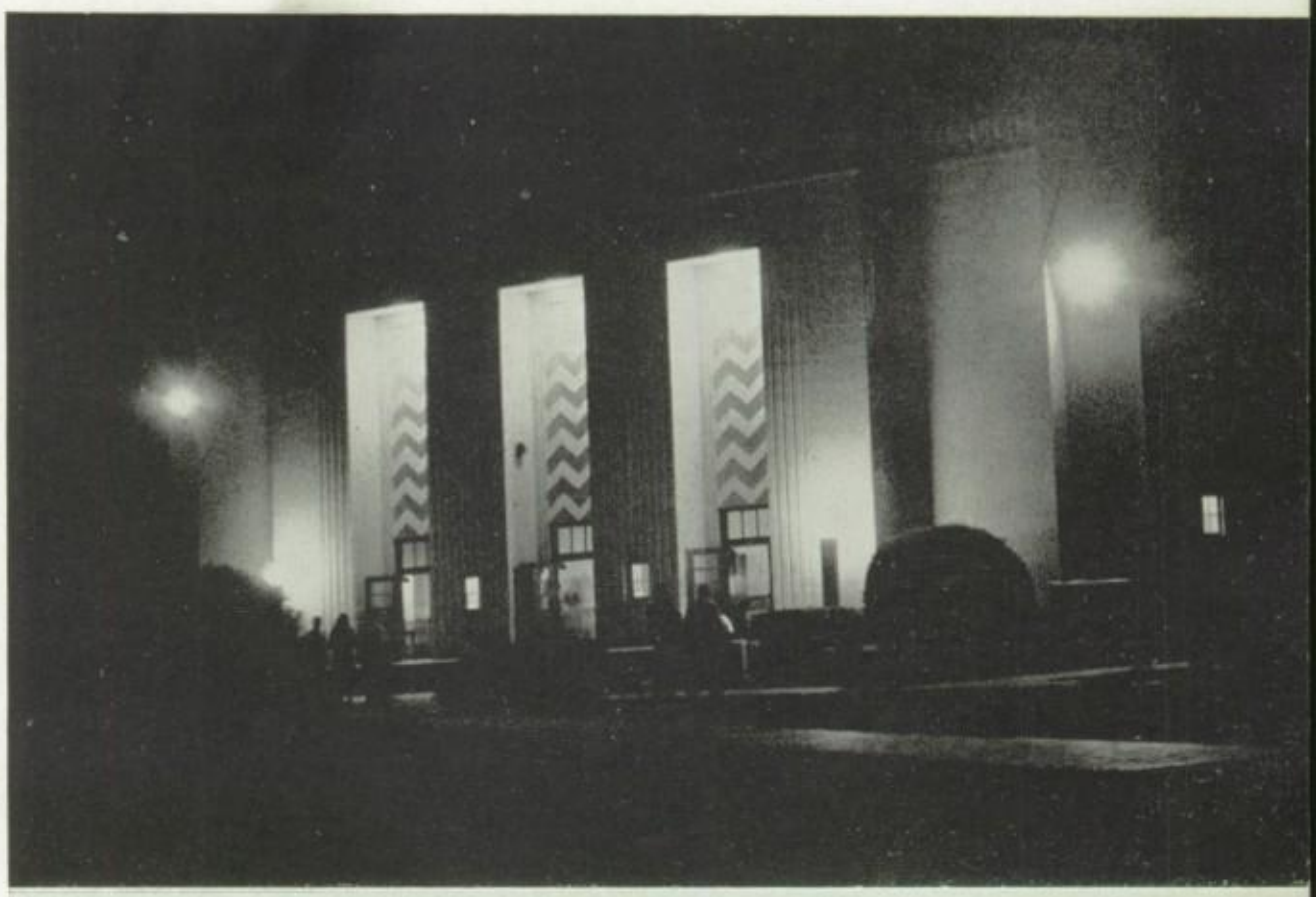
This year their main concern has been the planning of West Phoenix High School. When this project is completed, it is hoped that the congestion at both North High and Phoenix Union will be greatly relieved. The new school will also help to keep up the high standard already maintained by the Phoenix school system.

Mr. John Herrscher, a young Phoenix businessman, was elected to the Board this year. He took the place long held by Mr. Walter Strong.

Although faculty members relax at picnics and get-togethers, they strive diligently to prepare today's youth in the Valley of the Sun for their task as tomorrow's leaders in the world.

Administration

. . . A Place of Beauty



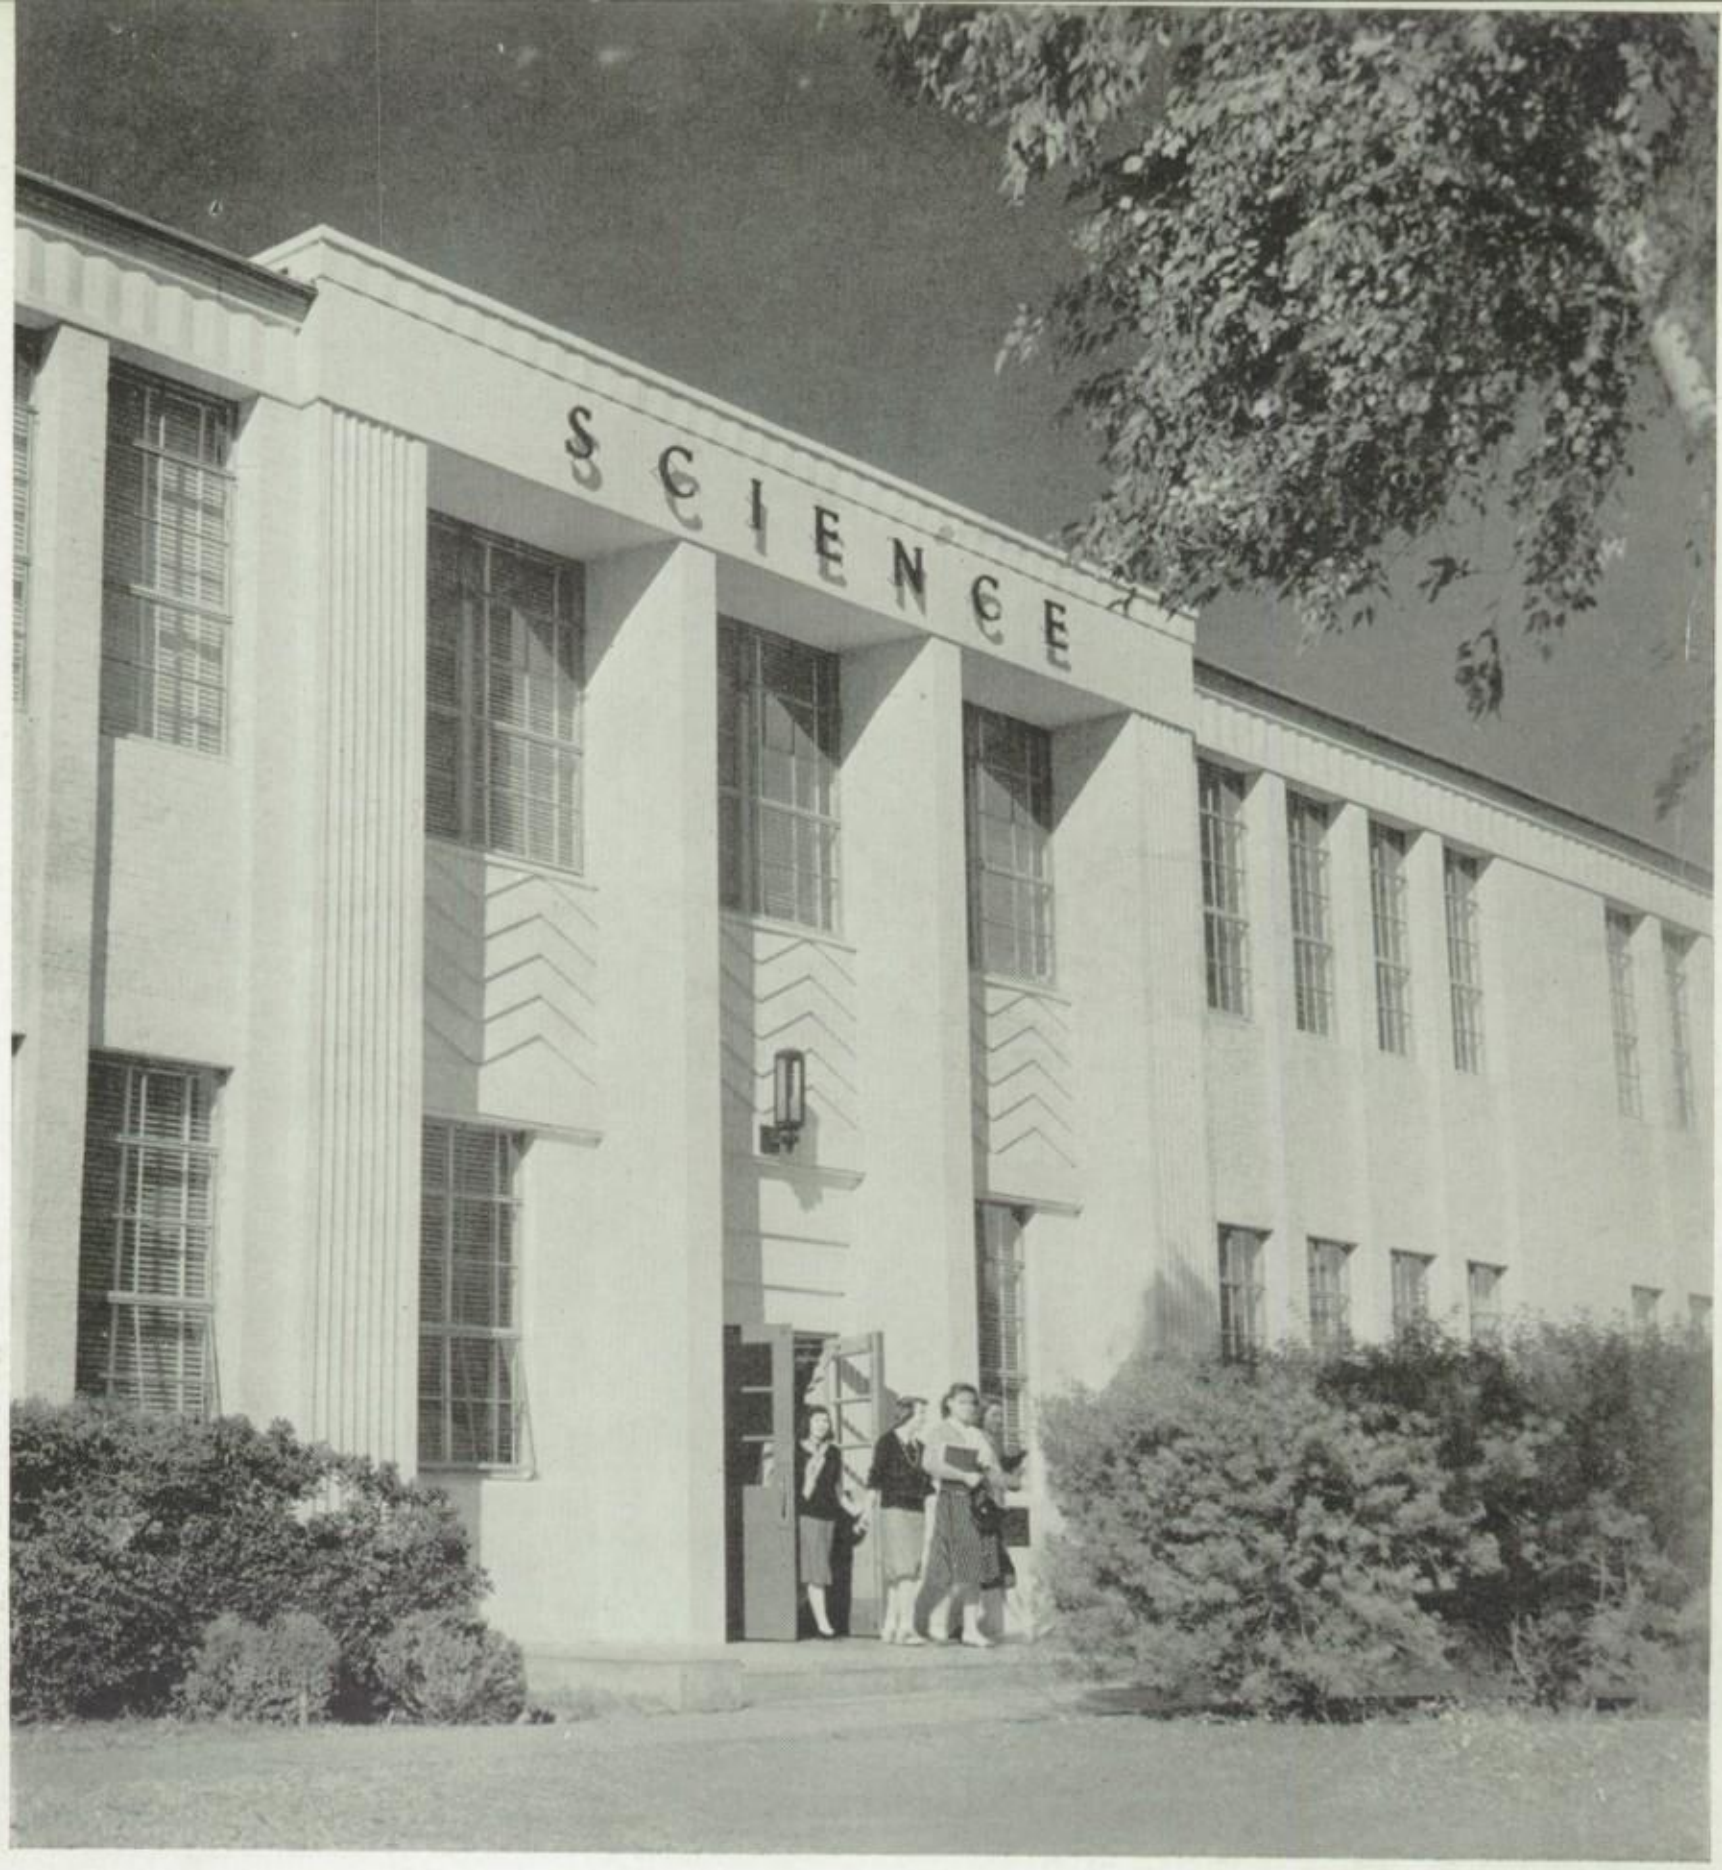
Night lights produce varied effects on the North High Auditorium.

The Dayton Street side of the Science Building and the Library wing of the Liberal Arts Building seen from the West.

Our Campus . . .

Our campus, one of the most beautiful in the southwest, graces many acres in northern Phoenix. As seen from the air, the spacious lawns represent the spirit of our Valley of the Sun.

The Stadium was the scene of football and track contests. Here, too, the ROTC unit drilled and presented their reviews.

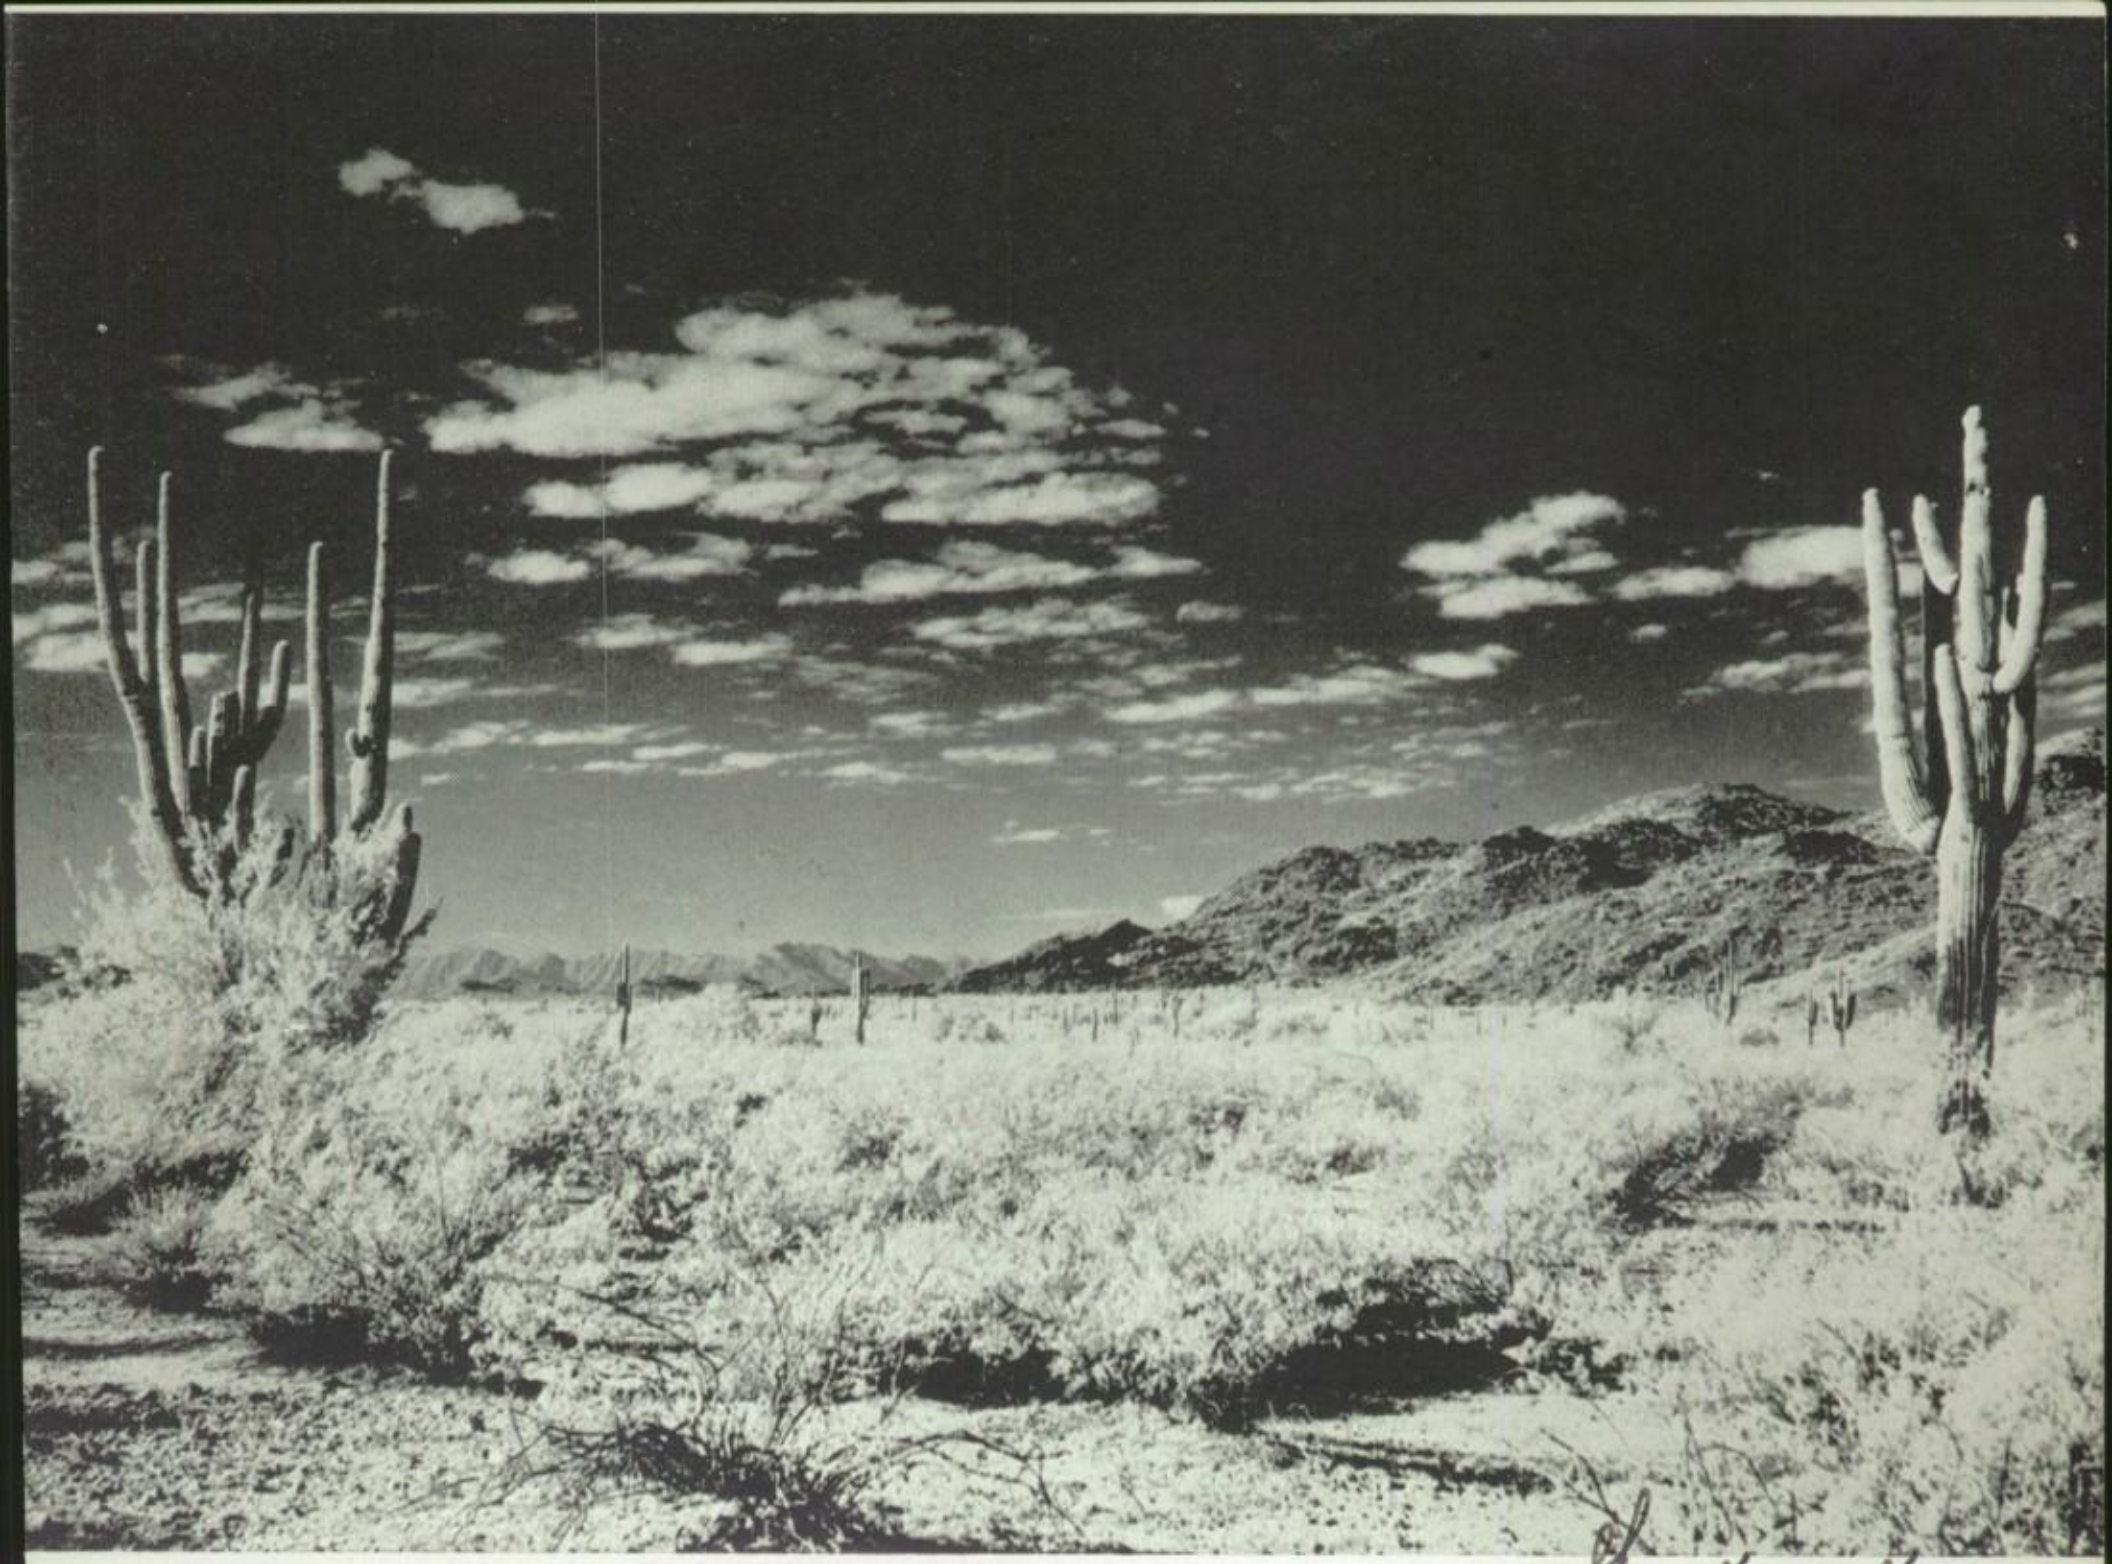


Arts and Sciences

From chocolate cookies baked in the domestic science kitchens to hydrogen sulfide generated in the chemistry labs, North High students put their knowledge into practice. It is in the Science Building that the school publications are created, that the girls design and make their clothes, and that the drama department rehearses many excellent skits and prepares the school-wide plays.

A Popular Place

An enormous variety of food awaits the hungry students who daily hurry to the Cafeteria for their noon meal. Since completion of the new wing with two additional steam tables, service has been more efficient and prompt. Eating to music was the new thing added this year. The installation of the juke box made it possible to hear the latest hits.



Foreword

Since 1870 our Valley of the Sun has grown from a barren, desolate desert to this present panorama of beauty and contrast. As it grew, the enchantment of the West found a place in every heart. Purple mountains rising high, crystal clear skies, crimson sunsets over the valley, vast expanse of desert shrouded in moonlight—scenes such as these make "Life in the Valley of the Sun" truly distinctive.

And so we present a portrayal of the life of North High students in the "Valley of the Sun," the 1948 HOOFBEATS.
